

2020-21 Seventh Grade Supply List

Each student entering seventh-grade can anticipate needing the following materials regardless of their team:

- A binder system for the core courses, perhaps two large binders, one for morning classes and one for afternoon.
- The math and science courses each require a separate 1 ½" binder. We suggest that the subject name is labeled: math, English, literature, life science, and world history.
- A pocket folder for each course in which completed homework should be placed
- 1" three-ring binder (general music students only)
- Loose leaf, lined paper
- Inexpensive headphones
- Pencils/eraser caps
- Pens
- Pencil pouch or box
- A scientific calculator (a graphing calculator is not needed). The student's name should be on the calculator.
- 2 or more packs of large note cards for research projects
- Highlighters
- Colored pencils
- 3 or more boxes of tissues for your homeroom
