Serving People in Need in Our Community

We are proud to see some of our students, parents, and our campus minister, Mr. Morgan, featured in the [recent newsletter](#) from Jubilee Reach. It's a terrific way to represent Sacred Heart School. Thank you all for your work.

[Jubilee Reach](#) has done so much to support people in need in our community, especially during the pandemic. They are always seeking volunteers and donations if you are able to help.

Losses in Our Community

I am sorry to have to share sad news of three recent losses to our Sacred Heart School Community. Please keep them and their families in your prayers.

Marge Yeats was a long-time parishioner, employee, and volunteer. While her younger children attended Sacred Heart Elementary School, Marge volunteered with the school lunch program from 1973 until 1980. After that she worked in various part-time positions at the school and in the parish office. Over time, these opportunities led to a full-time position as the bookkeeper for the church that lasted 30 years. A funeral mass will be held at Sacred Heart Church on Saturday August 28, 2021 at 10:00 AM.

Larry Fleishman was a long-time parishioner and supporter of Sacred Heart School. A retired Boeing engineer, he enjoyed promoting science at our school in various ways, including serving as a judge for years in our science fair program. His hobby was creating works of art with glass. Larry created and donated the beautiful Sacred Heart window in the lobby of our school. A funeral mass will be held at Sacred Heart Church on Friday, August 27 at 10:30 am.

Penny Koreski was a dedicated teacher at Sacred Heart School for 35 years. She was a leader in our 3rd grade team for many years. Over the years she even taught the children of many her former students. Penny loved Sacred Heart School, her faith, her family, and cursive handwriting.

Even after retiring, she came back for a few years to help teach cursive to the third grade. Funeral arrangements are pending.

Class Lists

Class lists and student schedules will be sent next Friday via email. We do our best each year to build classes that meet the various needs of all our students (academic, social, emotional, and spiritual). The teachers spend a fair amount of time and effort putting these lists together to support each student's learning. We understand that sometimes your child may not be placed together with his or her best friend. That pairing is not always possible. Please help your child to remember that they will be able to play with everyone in their grade during recess, and that this is an opportunity to make some new friends as well. Also, all our teachers are hired because they are highly-qualified, dedicated, caring educators. Your child can't go wrong in any of our classes next year. We have a great team of teachers and instructional aides that will be working together to support your child in every class.

Pick-up and Drop-off Next Year

Please review the attached document for instructions about pick-up and drop off this coming school year. Afternoon pick-up will be changing back to our previous parking plan. Staff will be in the parking lot to help direct cars, answer questions, and keep everyone safe.

Headphones

To fully utilize powerful audio, video, and voice tools in the classroom, we are asking each 1st-8th grade student to bring a pair of headphones or earbuds to school along with his/her other school supplies. These will live in the student's desk (1st-5th) or locker (6th-8th). More information about specifications and suggested products can be found [here](#).

ESS Positions Available

We have part-time positions available in our wonderful Extended School Services program this coming school year. ESS aides supervise and play with students after school, help with homework, lead crafts, and provide a fun and safe environment for our students. Interested applicants should contact [Amy Davis](#) or call/text (425)478-1225. Applicants must be 18+.

Summer Skills

Students should be finishing their [Summer Skills program](#) work. Completed packets are due the first day of school.
