

Parent Observation Pairing in Canvas

VIEW YOUR STUDENT'S CANVAS CLASSWORK & ASSIGNMENTS

Reference Video: <https://share.getcloudapp.com/Wnulk1Yk>

As a parent observer, you are able to view the work your student has been assigned and produces within classes utilizing Canvas. You will not be able to make changes to assignments or submit work on behalf of your student. As a reminder, *grades will only be available to view in [Infinite Campus](#)*, the grading and student information portal. Please read through the instructions below, or watch the video linked above, to access your student's Canvas classes.

Step 1: Obtain the Class Pairing Code

1. Log into the Student's Canvas account through [Clever](#)
2. In Settings select "Pair with Observer"
3. Copy the pairing code

The screenshot shows the 'Harry Potter's settings' page in Canvas. On the left is a navigation sidebar with icons for Account, Notifications, Files, Settings, QR for Mobile Login, Global Announcements, Dashboard, Courses, Calendar, Inbox, History, and Help. The 'Settings' option is highlighted with a red arrow. The main content area is titled 'Harry Potter's Settings' and includes the following information:

- Full Name: Harry Potter (This name will be used for grading.)
- Display Name: Harry Potter (People will see this name in discussions, messages and comments.)
- Sortable Name: Potter, Harry (This name appears in sorted lists.)
- Default Email: hp31592@stu.alaschools.org
- Language: System Default (English (US))
- Time Zone: Arizona

Below this is the 'Web Services' section, which states: 'Canvas can make your life a lot easier by tying itself in with the web tools you already use. Click any of the services in "Other Services" to see what we mean.' There is a checkbox for 'Let fellow course/group members see which services I've linked to my profile' which is checked.

At the bottom, there are sections for 'Registered Services' (showing 'No Registered Services') and 'Other Services' (with a 'Click any service below to register:' prompt and a 'Google Drive' button).

On the right side of the page, there is a 'Ways to Contact' section with 'Email Addresses' (hp31592@stu.alasc... and sgamble@charter.one) and 'Other Contacts'. Below this is a 'Pair with Observer' button, which is highlighted with a red box and a red arrow pointing to it from the bottom right.

Step 2: Create a Parent Account

1. Follow the link for the [Parent Sign Up webpage](#)
2. Enter your account details and create a password
3. Enter the pairing code
4. Select “Start Participating”

Step 3: Pair With Another Student Account

1. Log in to your Parent account
2. Click “Account” from the left navigation bar
3. Select “Observing”
4. Add the next pairing code
