- Visitors must wear a mask in the building.
- All visitors are required to follow social distancing.

## LRCA Fine Arts: Health and Safety Guidelines 2021/22

Vaccination is currently the leading public health prevention strategy to end the COVID-19 pandemic. The CDC recommends that everyone 12 years and older receive a COVID-19 vaccination.

### VISUAL AND PERFORMING ARTS CLASSROOMS

- Location: Both indoor and outdoor spaces will be used. Indoor spaces will be designed for maximum air flow and circulation (interior doors remain open, medical-grade HEPA filtration air purifiers utilized, enhanced HVAC system with UV filtration in place).
- Physical Distancing: Classrooms and performance spaces will be designed to maintain 3 feet distance, adjusting farther or closer depending on current public health conditions.
- Masks: Masks will be worn per campus protocol. This includes while singing.
- Bell Covers: Bell Covers for wind instruments may be utilized.
- Rehearsal Times: Maximum rehearsal times of 50 minutes will be utilized indoors. Ten (10) minute breaks will occur before the next rehearsal begins. In spaces with higher air change rates, longer rehearsal times are permitted.
- Air Flow/Cleanliness: Optimal environmental conditions will be maintained including ensuring clean classrooms, regular washing of hands, keeping supplies, materials, and work spaces sanitized, keeping interior doors open, and appropriate elimination of brass fluid.

### ASSEMBLIES/PERFORMANCES IN WARRIOR HALL

- Physical Distancing: Physical distancing is recommended for those not living in the same household. Seating in the auditorium will leave a chair between family units. Distancing will be encouraged anywhere lines may form.
- Audience: Audience members will be discouraged from attending if they are ill, running temperature, or if unvaccinated and have recently been exposed to someone with the COVID-19 virus. Audience dismissal by sections may be utilized for larger audiences.
- Performers: Will maintain 12 feet distance from the audience. Masks may be utilized by performers while on stage depending on current local conditions.
- Limitations: Performances and assemblies may be canceled due to local public health conditions.
