

Scarborough Public Schools

Weekly Newsletter - November 13, 2020

Critical Travel Reminder

With the numbers of COVID cases already on the rise in Maine and across the US at this time, your compliance in regards to travel is very much appreciated at this time. As of Monday, the only 2 states exempt from this restriction are New Hampshire and Vermont.

Massachusetts, New York, New Jersey and Connecticut **are no longer on the exempt list** for travel.

As we approach the upcoming Thanksgiving break, per the updated travel restrictions issued by the Governor of Maine, **all Maine residents returning to Maine upon return from a visit out of state (or country) must either quarantine for 14 days or receive a negative COVID-19 test with a sample taken less than 72 hours from arrival back to Maine, quarantining while awaiting test results, per the Keep Maine Healthy Plan.**

Please contact your school before you plan to travel and complete a Planned Absence Form. If you choose to have your child tested upon returning, the school must receive confirmation of a negative COVID-19 result via email, fax or hard copy prior to a student returning to school. If your family chooses quarantine only (no COVID testing), contact the health office to ensure a 14 day quarantine period is established.

We will continue to update you with any changes in the Maine CDC/DOE guidelines as we receive them.

From the Superintendent

Dear Scarborough School Community,

As the weather is turning colder and the feel of winter is in the air, I am asking families their thoughts on the future of our traditional "snow days" and how we approach these going forward. Now that students and staff are equipped to work remotely, it is important for the district to plan for inclement weather and how we should manage days when travel is not advisable.

Please take a moment to complete the following short survey and give us your valued input on the future of "snow days." Our goal is to tally the results by Monday, November 16th.

With warm regards,
Sandy Prince

[Snow Day Survey.](#)

SPS Back to School Survey Extended

Scarborough Public Schools' survey on back to school efforts is still open. **The deadline for submissions has been extended to Sunday, November 15.**

If you have not yet completed the survey, please click on the link under the school in which your child attends. If you have more than one child enrolled, you can either complete one survey about your oldest child, or complete a survey once for each child.

As stated last week:

- Your answers are completely anonymous.
- We are conducting similar surveys seeking input from staff, community and students as well.
- Results will be shared at an upcoming School Board meeting.
- The survey will take about 10 minutes to complete.
- Your voice is important, so thank you for sharing your thoughts and experiences.

Upcoming SPS Events - Mark Your Calendar!

[SPS Calendar](#)

- **November 19** - 5:30pm - School Board Workshop - Virtual Workshop
- **November 19** - 7:00pm - School Board Meeting - Virtual Meeting
- **November 20** - Order deadline for Thanksgiving Dinner sign-up
- **November 25** - Thanksgiving Dinner Curb-side Pick-up
- **November 25 - 27** - Thanksgiving Holiday Break - No school

SPS District Email Newsletter Signup

Share the news! Please let any community members, who do not currently have students enrolled in a Scarborough School, know that they too can stay in touch with the latest happenings in the schools and the district. By simply going to the SPS website and selecting the "District Communications" tab on the left, they can enter their name and email address and we will send along our weekly news to them.

If you have a student(s) in the district and you are already receiving our newsletter - no need to sign up (if you do, you will receive duplicate newsletters from us).

Health & Safety

Please make sure you review [the UPDATED Student Health Self Assessment](#) questions EVERY DAY before sending your child off to school. Updated guidance from the state has REMOVED a few less common symptoms from the list, including stomach pain, rash, swelling, and red eyes.

TOGETHER, we can make our schools as safe as possible!

COVID-19 Pre-Screening Tool for School Attendance

Within the past 24 hours have you had a fever (100.4 and above*) or used any fever reducing medicine? YES = 

Do you feel sick with any of the most common symptoms of Covid, had vomiting/diarrhea, or felt unwell? (see symptom list to the right) YES = 

Have you been a close contact of a person with Covid in the past 14 days? YES = 

Have you traveled outside of the state in the past 14 days? YES = 
Contact Your School

Stay home with any YES response to the questions above OR with two or more of the "less common" symptoms listed to the right.

Attend school when all answers are NO and your child is feeling well with no other symptoms of illness. Call or see your school nurse or other designated person at school if you have questions.

Updated 10.9.20 

Most Common Symptoms of Covid 19:
Cough
Shortness of breath or difficulty breathing
Fever (100.4°F/ 38 °C or greater)*
Chills
Sore throat
New loss of taste or smell

Less Common Symptoms:
Muscle pain
Nausea or Vomiting
Diarrhea
Fatigue
Headache
Congestion/runny nose

*Fever is 100.4°F/ 38°C regardless of measurement location (oral, temporal).
