

Lunch Program for the 2021-22 School Year

Greetings Oakridge Families:

Food 4 Life is proud to continue to provide lunch for the students, faculty, and staff at The Oakridge School. We will continue to work closely with the school administration to ensure a safe and healthy environment in the Oakridge Café.

Our monthly menus will be available on the school website under Campus Life- Lunch Program as well as on the Food 4 Life website. Meals may be purchased through a previously set up lunch account or purchased with cash in the café.

For families with an existing lunch account: We encourage you to log on prior to the first day of school to ensure that everything runs smoothly. You should have received an email through MealManage (our lunch program software) inviting you to log in with an access code. If you have not received an email, please let us know. If the account had remaining funds or a remaining balance due from the last school year, it has been carried forward.

For families that DO NOT have an existing lunch account: Complete a lunch account form and return it via email (makala@food4lifecaterer.com). Once your child is in the system, you will receive an email through MealManage (our lunch program software) with a link and code. Once this is done, you can log in any time simply using your email address.

Funds can be added to your child's account with cash or check (payable to Food 4 Life) and turned in to the office or delivered to the cafe. When sending cash or check payment to school, please place the payment in an envelope with the child's full name. Credit/Debit card payments may also be made online for a fee. Each week, registered email addresses will receive a low balance notification once your child's lunch account balance falls below \$20.00. If a lunch account no longer has available funds, only a sandwich may be purchased until funds are replenished.

We thank you for allowing us to serve your children. To learn more about Food 4 Life please visit our website www.food4lifecaterer.com and follow our social media pages on Facebook and Instagram.
