

Art Supplies for 2021-2022

It is strongly recommended that students again bring their own art supplies to Art Prep. Be sure to label the pencil bag/box with Student and Teacher names. These will stay in backpacks or classrooms until Art Prep day. They will not be stored in the Art Room and can be used in the classroom *no need to buy 2 sets*. Supplies will be provided for all Kindergarten students. Shared supplies will be provided for all students without an art kit.
