

WBSD Board Policy 8500 Food Services

Administrative Guideline 8500 Food & Beverage Sales

Addendum: Meal Charging Policy & Procedure Revised: July 2021

West Bloomfield School District recognizes the importance of adequate nutrition for students to learn and provides daily breakfast and lunch service in all buildings. Parents are responsible for the cost of meals for their child(ren), and/or submitting a completed application for free or reduced price meals. Online applications and instructions for free & reduced price meals are provided to all families annually. Additional resources are available on the Food Service Department webpage.

Nutrition Services will contact the parent/guardian by email, Negative Balance notice and/or phone when the account balance reaches \$5.00. Parents may make payments by check, credit card on PayForIt.net or by sending cash (in a sealed envelope with child's first and last name **legibly** printed). Cash should only be sent with a responsible student as the School District is not responsible for lost cash. The Nutrition Services Office can transfer money from one sibling's account to another if necessary.

A copy of this policy shall be provided to each student annually prior to the start of the school year and upon enrollment for mid-year transfer students.
