

WEST BOUNTIFUL ELEMENTARY VEX ROBOTIC COMPETITION TEAM

We are happy to announce that we plan to have a Vex Robotics Competition Team for 5th and 6th graders!

Our team will meet every Monday from 3:30 – 4:30 pm beginning September 27th. Mrs. Millward, Mr. Bohay, and Mrs. Coberly will be leading our robotics team! Students must follow all directions from the teachers and all materials must be cared for properly.

Team size is limited, and forms will be accepted until Wednesday, September 8. We will then do a scored rubric and teacher recommendation to determine who is accepted on our competition team. Students will be notified by Monday, September 20th, if they were accepted. There will be a \$25 participation fee.

We're toolmakers. Solution providers. Problem solvers.

The world currently faces an **unprecedented need for new innovators, thinkers, and problem-solving leaders.**

Please contact Mrs. Coberly, Mrs. Millward, or Mr. Bohay with any questions: kcoberly@dsdmail.net, camedina@dsdmail.net, or tbohay@dsdmail.net.

Please return this portion to Mr. Bohay by Wednesday, September 8th.
