John Muir P.T.A.

What is P.T.A.?

Did you know that P.T.A. stands for Parents, Teachers Association? Your P.T.A. provides the setting for parents, teachers, principal, staff and community members to come together to improve the lives of children through programs and activities. By working together, parents and school personnel can help ensure successful school experiences for our students and allow us to be more effective in our youth-serving activities. We invite you to join your P.T.A. The dues are \$8.00 per member

Myth regarding P.T.A.

The biggest “myth” or “fear” of joining P.T.A. is that by joining, you are giving up all your free time to work and attend meetings. This is not true. By joining P.T.A. you are simply supporting its efforts to better assist all children and youth. You are welcomed to participate as much as you like and are comfortable with. Volunteering your time is completely up to you. We have many families that are considered “general members” and as such do not actively participate, but do support P.T.A. in all its endeavors. As a P.T.A. member, you are welcome to attend the meetings held monthly. Attending these meetings are optional; however you must be a P.T.A. member in order to vote on any discussed issues.

Money For Our School

Another part of P.T.A. is that we raise funds through various efforts that directly benefit our students here at John Muir. Keep an eye out for future flyers regarding our fundraisers.
