Parking Rules/Violations

Driving to school and parking on school property is a privilege. Students who possess a valid driver's license, current registration, current inspection sticker, proof of insurance, and a building specific parking permit may be permitted to park on Keystone Central School District property. All motor vehicles parked on school property may be searched without warning when a school administrator has reasonable suspicion that the vehicle may contain materials that may pose threats to health, welfare or safety of students, staff or visitors.

Students who park illegally on campus will be subject to ticketing, booting, and/or towing at the discretion of KCS D Administration or the KCS D Department of Police and Security Services. Booted vehicles must be removed within 72 hours or they will be towed. There will be a \$25.00 fee to remove the boot. Registered owner will be responsible for towing and booting fees. KCS D is not responsible for removal of boot warning stickers applied to vehicle windows. Removing or tampering with vehicle or boot may result in prosecution to vehicle owner and driver.

Students who drive onto KCS D property and park without a valid parking permit or with a revoked/suspended permit may face prosecution under PA Title 75 Section 3717(b), "Trespass by motor vehicle". Students may also face school disciplinary action and/or permit revocation for any permit violations or any driving that is deemed unsafe on or near school property.
