

## DCS Summer Update

Good afternoon DCS Family,

Summer food distribution has started and will last until August 6th. Please visit the [School Nutrition page on GoDavie.org](#) for curbside and mobile site locations, or call us with any questions.

We continue to add resources to our website that may be helpful for your family, with information on additional summer nutrition opportunities, Yadtel service discounts, and housing resources through the Housing Opportunities and Prevention of Evictions (HOPE) program. Learn more on the [Families page of GoDavie.org](#).

Summer camps are underway, with more opportunities on the calendar to join in the fun. Click on the [Buy Event Tickets](#) button on the district homepage to learn more about Volleyball Camp at Davie County High School for 3rd through 5th graders starting Monday, July 12 and 6th through 8th graders starting Wednesday, July 14. We will accept walk-ups on the first day of camp. Our girls basketball camp is July 26-29. Registrations may be done online. Please check with your child's school for additional summer camp opportunities.

Lastly, thank you to those who came to see us at the Job Fair this week. If you missed it, please join us July 8 and July 20 at the Main Street Park. We have positions available in most areas and we would love to tell you more about joining the team! We look forward to meeting you there!

Happy Independence Day to you and your family! Please be safe and we look forward to celebrating with you at the July 4th parades in Mocksville and Cooleemee. Have a wonderful weekend!

220 Cherry Street, Mocksville, NC 27028
