

# Schoology for Families

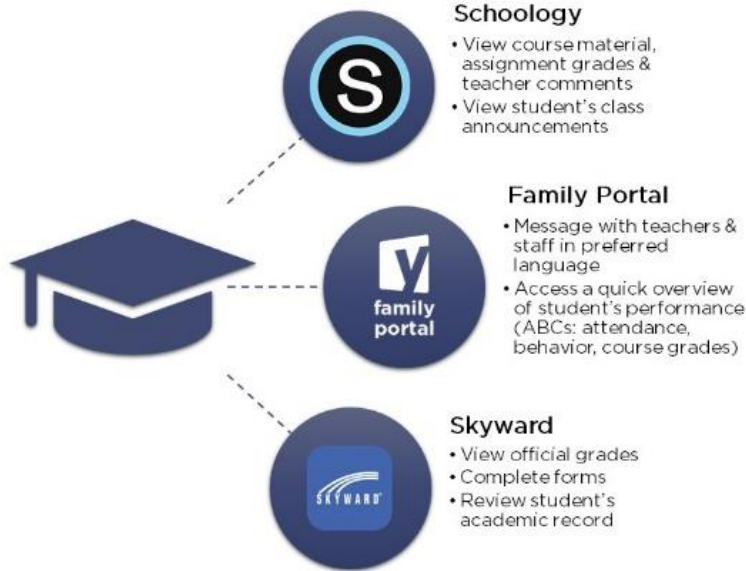

## Secondary Family Communication Toolkit

### What is Schoology?

Schoology is YES Prep's Learning Management System and one of the key apps in our Family Communication Toolkit. Schoology is our digital hub for learning and campus culture.

Schoology makes it easy for parents to stay involved in their children's education. Learning is not just about teachers and students. Schoology allows you to bring everyone together—students, teachers, guardians, administrators—with one platform.

## How is Schoology used?

Teachers use Schoology to:

- Post classroom materials online
- Assign and collect work electronically
- Share assignment grades and feedback
- Provide a safe forum for students to discuss their ideas and collaborate on projects
- Send student reminders and updates

A Schoology Guardian account gives you access to:

- Your child's classes and class material
- Your child's upcoming assignments
- Your child's assignment grades
- School and class announcements

## How do I log in?

**Website:** [app.schoology.com](https://app.schoology.com)

**App:** download the Schoology app from your phone's app store

Sign in to Schoology

All fields are required

Email or Username

Password

Log in

[Forgot your password](#)

[SSO Login](#)

Guardian accounts for Schoology are automatically created for all family members listed as a guardian in a student's Skyward account. If you need to update your email account, please contact your school's front office.

Before school starts all guardians will receive their Schoology login information in a series of two emails. For security purposes, one email will contain the username (the guardian's email) and one will contain the temporary password.

If you forget your password at any point, you can use the "Forgot password" option on the Schoology log in screen.

## How often should I use Schoology?

Parents can check Schoology at any time. YES Prep recommends that parents log in to Schoology at least once per week and review the Weekly Digest email.

## How do I get help?

YES Prep Website: <https://www.yesprep.org/families/dashboards/schoology>

Campus: If you need support after visiting the website, please contact your school's front office.

## Other Frequently Asked Questions

**What if I have more than one student at YES Prep?** Parents will have access to each of their students' accounts and can toggle between the view for each of their students.

**What about Teams?** Between May 2020-June 2021, YES Prep used Teams. Beginning August 2021, YES Prep will launch Schoology as our Learning Management System and it will replace Teams. Students will not use Teams unless they need to connect to a virtual meeting.

## Schoology Snapshot

After logging in, switch between your guardian account and your child(s) account.

The screenshot shows a user interface with a top navigation bar containing a calendar icon, a profile icon, and the text "Student" with a dropdown arrow. Below this, there are three main account options: "Parent Account" with a blue globe icon, "Student Account" with a yellow profile icon and a green checkmark, and "Add Child" with a blue plus icon. At the bottom, there is a "Your Profile" link.

When you review your child's grades, you can see assignment grades and grade comments. (Please note that you can view course averages, progress report and report card grades in Skyward.)

The screenshot shows a grade report for "Algebra I (Sample Course): 21-22". It is organized into a table with columns for assignment name, date, score, and comments. The "Quarter 1" section is expanded to show "Formative" assignments. The "Summative" section is currently collapsed.

Assignment	Date	Score	Comments
Unit 2 Test		83 / 100	
Two Step Equations: Practice 1	9/13/21 11:59pm	72 / 100	Come to tutorials on Tuesday so we can keep working on inverse operations skills!
Two Step Equation Quiz	9/22/21 11:59pm	84 / 100	Good progress since our practice!
Linear Inequalities: Practice	9/27/21 11:59pm	78 / 100	
Summative		—	

The screenshot shows a student's dashboard with several key areas highlighted by numbered callouts: 1. The top navigation bar with "COURSES", "GROUPS", and "GRADES" tabs. 2. The "You are viewing as Your Child" indicator. 3. The "Student Activity - Enrollments" section showing recent announcements from a teacher. 4. The "Recent Grades" section listing graded assignments, tests, and quizzes. 5. The "Upcoming" section listing future assignments and tests.

When viewing your student's account, you can see the following:

1. your child's courses
2. your child's assignment grades and comments
3. updates for students from the campus and from teachers
4. recently graded assignments
5. upcoming assignments
