Student Accident & Sickness Insurance

Dear Parent,

Along with providing a quality Catholic education, your school does its best to protect its students from injuries. Even so, accidents happen. To help families deal with medical costs resulting from covered school-related injuries, the school provides excess, accident medical expense insurance for every student.

You also have the option to insure your child on a full-time, 24/7 basis for dental injuries, injuries in general or for injuries and getting sick.

Plan descriptions, claim filing instructions and the means to enroll in the optional plans are provided in this brochure. Please read carefully before an injury happens!

FREQUENTLY ASKED QUESTIONS

If I have other insurance, why do I need this coverage?

Our plans can expand your choice of providers for your child and high deductibles, high co-insurance and other cost-sharing obligations common to many of today's health plans.

Under the full-time plans, can I take my child to any doctor or hospital?

YES! However, your out-of-pocket costs could be less using a *First Health* contracted provider. To find participating doctors/hospitals nearest you, call **800-226-5116** or log on to www.myfirstthealth.com

If my child has a covered injury or sickness, will benefits for that same injury or sickness be extended if he/she re-enrolls next year?

Once maximum benefits have been paid or the benefit period ends (generally, from one to two years depending on the plan) no further benefits for that injury or sickness will be made. The *Dental Accident Plan* is the only exception. See this brochure for details.

Are accident-only rates paid every month?

NO! Accident-only rates are one-time charges for the entire School Year.

Can interscholastic high school tackle football be covered?

YES! But only under the *Interscholastic Tackle Football Plan*.

Does the School-Time plan cover camps and clinics sponsored and organized by groups other than my child's school?

NO! However, such camps and clinics may be covered under our *Full-Time 24/7* or *Student Accident & Sickness* plans. Call us for guidance!

Definitions

An **Accident** is defined as a sudden, unexpected and unintended incident. **Covered Accident** means an Accident that results in Injury or loss covered by this Policy. An Injury is defined as accidental bodily harm sustained by the Covered Person that results directly from an Accident (independently of all other causes) and occurs while coverage under the Policy is in force. **Medically Necessary** is defined as the services or supplies provided by a Hospital, Physician, or other provider that are required to identify or treat an Injury or Sickness and which, as determined by the Company, are: (1) consistent with the symptoms or diagnosis and Treatment of the Injury or Sickness; (2) appropriate with regard to standards of good medical practice; (3) not solely for the convenience of the Insured Person; (4) the most appropriate supply or level of service which can be safely provided. When applied to the care of an Inpatient, it further means that the Insured Person's medical symptoms or condition requires that the services cannot be safely provided as an Outpatient. **Sickness** is defined as illness or disease contracted by and causing loss to the Insured Person whose Sickness is the basis of claim. Any complications or any condition arising out of a Sickness for which the Insured Person is being treated or has received Treatment will be considered as part of the original Sickness. **School Activities** means any activity that is sponsored and under the direct, immediate supervision of the School that: (a) the School requires the Insured Person to attend; or (b) is under the sole control and supervision of School authorities. It does not include an activity related to athletics or cheerleading that is under joint sponsorship or supervision arrangement with any non-School group.

Non-Duplication of Benefits (Excess Provision)

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount. (In Arizona: Does not apply to the Sickness-Only coverage under the Student Accident & Sickness Plan.)

IMPORTANT NOTICE: Some plans referenced within provide short-term, limited duration sickness benefits. They do not constitute comprehensive health insurance coverage (often referred to as "major medical coverage") and do not satisfy a person's individual obligation to secure the requirement of minimum essential coverage under the Affordable Care Act (ACA). For more information about the ACA, please refer to www.HealthCare.gov.
