STUDENT CODE OF CONDUCT

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Carolyn Finley, Administrative Assistant to the Chief of Schools at cfinley@staffordmsd.org or 281-261-9342.

Purpose

The Student Code of Conduct is the district's response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Stafford Municipal School District Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside of the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the district's website at www.staffordmsd.org. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP, or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code shall prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

Nondiscrimination Statement

In its efforts to promote nondiscrimination and as required by law, the District does not discriminate on the basis of sex, disability, race, religion, color, gender, age, national origin, or any other basis prohibited by law in providing education services, activities, and programs, including Career and Technical Education (CTE) programs. The District provides equal access to the Boy Scouts and other designated youth groups.

Sex Discrimination and Sexual Harassment Prohibited

In accordance with Title IX, SMSD does not and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to admissions and employment inquiries about the application of Title IX may be referred to SMSD's Title IX Coordinator (see below), to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Other federal laws that prohibit discrimination include Title VI, Section 504, the Age Discrimination Act, the Boy Scouts Act, and Title II.

Reporting Procedures

SMSD has designated and authorized the following employee as the Title IX Coordinator to address concerns or inquiries regarding discrimination on the basis of sex, including sexual harassment, sexual assault, dating violence, domestic violence, stalking, or gender-based harassment: Dr. Dawn Dubose, Chief of Schools, 1633 Staffordshire, Stafford, TX 77477, (281) 261-9200, or ddubose@staffordmsd.org.

Any person may report sex discrimination including sexual harassment, sexual assault, dating violence, domestic violence, and/or stalking, regardless of whether the person is the alleged victim of the conduct. Reports of sex discrimination, including sexual harassment, sexual assault, dating violence, domestic violence, stalking, or gender-based harassment can be made at any time, including during non-business hours, by mail, phone, or email by contacting the Title IX Coordinator using the contact information provided above. Reports can also be made in person. Upon the District receiving notice or an allegation of sex-based discrimination or harassment, the Title IX Coordinator will promptly respond in accordance with the process described in FFH(LOCAL).

The following district representatives have been designated to address concerns or inquiries about other kinds of discrimination:

- For concerns regarding discrimination on the basis of disability, see the ADA/Section 504 Coordinator: Tera Bressler, Human Resources Coordinator, 1633 Staffordshire, Stafford, TX 77477, (281) 261-9200, or tbressler@staffordmsd.org.
- For all other concerns regarding discrimination please contact the Superintendent of Schools, Dr. Robert Bostic, 1633 Staffordshire, Stafford, TX 77477, (281) 261-9200, or RBostic@staffordmsd.org.

[See policies FB, FFH, and GKD for more information.]

SMSD does not discriminate on the basis of disability by denying access to the benefits of District services, programs, or activities. To request information about the applicability of Title II of the Americans with Disabilities Act (ADA), interested persons should contact Ms. Tera Bressler, Human Resources Coordinator, 1633 Staffordshire, Stafford, TX 77477, (281) 261-9200, or tbressler@staffordmsd.org.

Students with Disabilities

Section 504 of the Rehabilitation Act prohibits discrimination against students with disabilities and requires the District to undertake to identify and locate every qualified disabled person residing in the District who is not receiving a public education and to notify persons with disabilities and their parents or guardians of the District's duties under Section 504.

SMSD does not discriminate against students with disabilities and has procedures in place to ensure that students who are eligible for services under Section 504 of the Rehabilitation Act have access to educational opportunities equivalent to those provided to nondisabled students.

The District's Section 504 Coordinator for students is Dr. Margaret Patton, Director of Federal and State Programs. Any student and/or parent or guardian of a student who desires more information regarding the District's procedures for complying with Section 504 may obtain a copy of the District's Section 504 procedures by contacting the 504 coordinator at the student's home campus or by Dr. Margaret Patton, Director of Federal and State Programs, 1633 Staffordshire, Stafford, TX 77477, (281) 261-9200, or tbressler@staffordmsd.org. The District's Section 504 Coordinator for employees is Mrs. Tera Bressler, the Human Resources Coordinator.

School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

Campus Behavior Coordinator/ Campus Administrator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. However, as a District of Innovation, the campus administrators shall oversee student behavior. The campus administrators are responsible for maintaining student discipline. Contact information for campus administrators primarily responsible for student discipline is available on the website of each school campus and at <https://www.staffordmsd.org/>.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF (Legal) and FNF (Local) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the District shall contact the student's parents. If the parents also refuse to permit the vehicle to be searched, the District may contact local law enforcement officials and turn the matter over to them. The District may, in certain circumstances, contact law enforcement even if permission to search is granted.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

School Resource Officers

To ensure sufficient security and protection of students, staff, and property, the board employs school resource officers (SROs).

In accordance with law, the has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of school resource officers are:

- Patrol school district buildings and property.
- Provide security at specified district events.
- Investigate criminal incidents occurring on school district property.
- Arrest and file charges for crimes occurring on district property.
- Network with area law enforcement agencies.
- Support administrators and staff in creating and maintaining a safe learning environment.
- Develop positive relationships with students, staff, parents, and the community.
- Present crime prevention programs to students, staff, parents, and community.
- Complete mandated state training and remain current on legal issues.

'Parent' Defined

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district’s Code, resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

See DAEP—Restrictions during Placement on page 37, for information regarding a student assigned to DAEP at the time of graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

The school administrator or peace officer shall maintain a written log of all verbal warnings issued to include the individual's name, the date, and a brief description of the inappropriate behavior.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with FNG (LOCAL) OR GF (LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

See **DAEP – Restrictions During Placement** on page 37, for information regarding a student assigned to DAEP at the time of graduation.

- Meet district and campus standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other district staff and volunteers.

- Adhere to the requirements of the Student Code of Conduct.

Title IX Sex-Based Harassment Response and Prevention

Prohibited Conduct

SMSD prohibits discrimination, harassment, dating violence, domestic violence, stalking, and retaliation as defined below and/or in the Glossary, even if the behavior does not rise to the level of unlawful conduct. Prohibited conduct also includes sex-based discrimination and harassment as defined by Title IX and District Board policy. [See FFH (LOCAL)/(LEGAL).] Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student are prohibited.

Retaliation against a person because the person has made a report or complaint of sexual harassment, sexual assault, dating violence, domestic violence, or stalking or because the person testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing regarding reported sexual harassment, sexual assault, dating violence, domestic violence, or stalking is prohibited. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX constitute retaliation. An individual's exercise of rights protected by the First Amendment of the United States Constitution does not constitute prohibited retaliation.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX investigation or grievance proceeding also does not constitute retaliation.

Sexual Harassment is conduct on the basis of sex that satisfies one or more of the following:

- An employee of the District conditioning the provisions of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (i.e., *quid pro quo* sexual harassment)
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
- "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Sex- or Gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, and pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact. Use of e-mail, the internet, or other technologies may constitute sexual harassment as much as use of in-person, postal mail, handwritten, or other communications.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact that a reasonable person would not construe as sexual in nature. However, romantic, sexual, and other inappropriate social relationships between students and District employees are prohibited, even if consensual.

Confidentiality

To the greatest extent possible, the District respects the privacy of the complainant, persons against whom a report is filed, and witnesses. The District keeps the identity of complainants, respondents, and witnesses confidential, unless disclosure is required by law or necessary to carry out a Title IX proceeding. Limited disclosures may be necessary for the District to conduct a thorough investigation and to preserve the rights of complainants, respondents, and witnesses.

Reporting Sex-Based Harassment

Any person may report sex discrimination, including sexual harassment, sexual assault, dating violence, domestic violence and/or stalking, regardless of whether the person is the alleged victim of the reported conduct. Reports of sex discrimination, including sexual harassment, sexual assault, dating violence, domestic violence and/or stalking can be made at anytime, including during non-business hours, by mail, by phone, or by email, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's report. Reports can also be made in person. [See Policy FFH(LOCAL); Education Code § 37.083.] A person who has knowledge of a student who is believed to have been sexually harassed by a District employee may also seek assistance from Texas Department of Family and Protective Services at 1-800-252-5400.

At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the SMSD. The Title IX Coordinator may also sign a complaint, thus triggering an investigation; however, this does not make the Title IX Coordinator a party in the grievance process. However, a third party reporter may not file a formal complaint. If the complainant/alleged victim is not a willing participant in the investigation, he or

she will have access to supportive measures and receive written notice of steps in the grievance procedures.

Upon the District receiving notice or an allegation of sex-based discrimination or harassment, the Title IX Coordinator will promptly respond in accordance with the process described in FFH(LOCAL).

Response to Sex-Based Harassment

Upon the District receiving notice or an allegation of sex-based discrimination, harassment or retaliation—regardless of whether a formal complaint is filed—the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant’s wishes with respect to supportive measures; and
- Explain to the complainant the process for filing a formal complaint.

If a formal complaint is filed, the matter will proceed through the District’s Title IX Formal Complaint Process, including an investigation and decision process, which is set forth below and in Policy FFH(LOCAL).

Emergency Removal Based on Allegations of Sexual Harassment

If a student is the alleged perpetrator of sex-based discrimination, sexual harassment, or retaliation, the respondent student may be subject to immediate emergency removal from his or her campus after the District conducts an individualized analysis and if the District finds it necessary to protect a student or other individual from immediate threat to their physical health or safety. If the District decides to remove the respondent student from campus, it will notify the respondent student and provide the respondent student an immediate opportunity to challenge the removal decision. An emergency removal does not modify any rights under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

Supportive Measures

The District’s response to sex-based harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate and without charge, before or after the filing of a formal complaint and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent. Supportive measures are non-disciplinary, non-punitive, individualized services that are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party. Examples of supportive measures include counseling, course modifications, schedule changes, increased monitoring or supervision. 34 C.F.R. § 106.44.

Title IX Formal Complaint Process, Investigation, and Related Procedures

SMSD's Title IX Formal Complaint Process specifically applies to allegations of sex-based harassment, including dating violence. The District's general grievance policies (DGBA, FNG, and GF) do not apply to reports of sex-based harassment.

The District has wide latitude to consolidate formal complaints against more than one respondent, by more than one complainant against one or more respondents, or by one party against another party, where the allegations arise out of the same facts or circumstances.

34 C.F.R. § 106.45(b)(4).

In accordance with Policy FFH(LEGAL), SMSD's Title IX Formal Complaint Process provides the following:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence, both inculpatory and exculpatory, and the prohibition of credibility determinations based on a party's status as complainant, respondent, or witness;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sex-based harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause (e.g., law enforcement involvement, absence of a party, witness, or attorney/advisor, translation or accommodation needs) and written notice to both parties explaining the reason for the delay;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sex-based harassment;
7. A statement that the standard of evidence to be used to determine responsibility will be preponderance of the evidence for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege; and

11. Additional formal complaint procedures in 34 C.F.R. 106.45(b) and Policy FFH (Legal), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures.
12. Other local procedures as determined by the Superintendent.

In accordance with Policy FFH(LOCAL), the following procedural steps shall be followed after a formal complaint of Title IX sexual harassment or Title IX retaliation is submitted:

1. **WRITTEN NOTICE OF INVESTIGATION:** Upon receipt of a written complaint, written notice of the complaint shall be provided to known parties in sufficient time to allow respondent to prepare a response before any initial interview. The written notice shall include:
 - a. Notice of the District's grievance process, including any informal resolution process;
 - b. Notice of the allegations in sufficient detail to allow respondent to prepare a response (names of known parties, conduct alleged, date and location of conduct, if known);
 - c. A statement that respondent is presume not responsible and that responsibility is determined at the conclusion of the grievance process;
 - d. Notice of parties' rights to have an advisor (who may be, but is not required to be, an attorney);
 - e. Notice of parties' rights to inspect and review evidence submitted by the other parties; and
 - f. Notice that the SMSD Student Code of Conduct prohibits knowingly making false statement or providing false evidence during the grievance process.

If, during the course of the investigation, the District decides to investigate allegations about the respondent or complainant that were not included in the original written notice, notice of the additional allegations will be provided in writing to both parties.

34 C.F.R. § 106.45(b)(2)

2. **DISMISSALS:** A formal Title IX complaint **must** be dismissed if (1) the allegations, if true, would not constitute sexual harassment; (2) the conduct did not occur in the school's program or activity or the conduct did not occur in the United States. A formal Title IX complaint **may** be dismissed if (1) the complainant requests to withdraw the complaint; (2) the respondent's enrollment in or employment with the District ends; or (3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., passage of time, lack of cooperation by complainant, etc.).

Dismissal of a Title IX formal complaint does not preclude taking action under other law or policy. If the District dismisses a formal Title IX complaint, written notice will be promptly provided to both parties simultaneously, including the reasons for mandatory or discretionary dismissal.

34 C.F.R. § 106.45(b)(3)

3. **INVESTIGATION:** When investigating a complaint, and throughout the grievance process, the District investigator will do the following:
 - a. Ensure the burden of proof and of gathering evidences rests on the District rather than the parties, except that certain treatment records cannot be obtained without voluntary, written consent from the party or parent;
 - b. Provide an equal opportunity for the parties to present witnesses and evidence;
 - c. Not restrict either party's ability to discuss the allegations or gather and present evidence;
 - d. Provide the parties with the same opportunities to have others present during interviews or other related proceedings, including an advisor who may but is not required to be an attorney;
 - e. Provide, to a party who is invited or expected to attend, written notice of the date, time, participants, purpose, and location of any investigative interview, or other meeting with enough time to allow the party to prepare to participate;
 - f. Provide both parties and their advisors, if any, an equal opportunity to review all evidence that is directly related to the allegations in the formal complaint, including evidence on which the District does not intend to rely and any exculpatory or inculpatory evidence from any source; such evidence must be provided prior to the completion of the final investigation report and in time to give the parties at least 10 days to prepare a written response, which the investigator must consider prior to completing the investigation report; and
 - g. Prepare a written investigation report that fairly summarizes the relevant evidence and provide the report to the parties and their advisors, if any, at least 10 days before a determination of responsibility is made.

Cross-Examination: Upon receipt of the investigative report, but before a determination of responsibility is made, the decision-maker will provide each party an opportunity to submit written, relevant questions that the party wants asked of another party or witness, provide each party with the answers, and provide for limited follow-up questions. The decision-maker will explain to the party proposing the questions any decision to exclude questions as not relevant. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant unless (1) such questions and evidence about the complainant's prior sexual behavior are offered to prove that

someone other than the respondent committed the conduct alleged by the complainant, or (2) if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

A student who intentionally makes a false claim or offers false statements shall be subject to appropriate disciplinary action in accordance with law. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX investigation or grievance proceeding also does not constitute retaliation. 34 C.F.R. § 106.45(b)(5)

4. **DETERMINATION OF RESPONSIBILITY:** The decision-maker—who is neither the investigator nor the Title IX coordinator—must issue a written determination that:
 - a. Identifies the allegations in the complaint;
 - b. Describes the procedural steps taken in response to the complaint;
 - c. Includes the decision-maker's findings of fact supporting the determination;
 - d. Includes conclusions regarding application of the SMSD Student Code of Conduct to the facts;
 - e. Includes a statement of, and rationale for, the result as to each allegation including a determination of responsibility, any disciplinary sanctions, and whether remedies to restore or preserve equal access to the educational program or activity will be provided to the complainant; and
 - f. Includes procedures and permissible basis for appeals.

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.
34 C.F.R. § 106.45(b)(7)

5. **APPEALS:** Appeals are available to both parties for dismissals and final determinations in the following circumstances:
 - a. Procedural irregularity that affected the outcome
 - b. New evidence was not reasonably available at the time of the determination and could affect the outcome
 - c. Conflict of interest on the part of the Title IX coordinator, investigator, or decision maker that affected the outcome

The District may also offer both parties the opportunity to appeal for other reasons.
34 C.F.R. § 106.45(b)(8)

6. **INFORMAL RESOLUTION:** After a formal complaint of sexual harassment is filed, the Title IX coordinator, facilitator, or an external attorney may offer to facilitate a voluntary

informal resolution process to resolve allegations (other than allegations of sex-based harassment by an employee against a student). The informal resolution process may proceed at any time during the formal complaint process. Both parties must be provided written notice of their rights under section 106.45(b)(9)(i) before consenting in writing to the informal resolution process. Informal resolution may encompass a broad range of conflict resolution strategies, including, but not limited to, mediation or restorative justice. 34 C.F.R. § 106.45(b)(9)

Discrimination and Bullying Response and Prevention

Reporting Discrimination or Bullying

Any student who believes that he or she has experienced bullying, discrimination, harassment, or retaliation as described in this *Student Code of Conduct*—or believes that another student has experienced such prohibited conduct—should immediately report the alleged acts to a teacher, school counselor, principal, or other District administrator. [See Policies FFH(LEGAL)/(LOCAL); FFI(LOCAL); Tex. Educ. Code § 37.083.] The report may be made by the student’s parent. For reports of sex- or gender-based harassment or discrimination, the process outlined above and in Policy FFH(LOCAL) applies.

Upon receiving a report of prohibited conduct as defined by policy FFH, the district will determine whether the allegations, if proven, would constitute prohibited conduct as defined by that policy. If not, the district will refer to policy FFI to determine if the allegations, if proven, would constitute bullying, as defined by law and that policy. If the alleged prohibited conduct, if proven, would constitute prohibited conduct and would also be considered bullying as defined by law and policy FFI, an investigation of bullying will also be conducted.

After a report of bullying or harassment is made, the principal or principal’s designee must provide notice to (1) the parent of the alleged victim by the 3rd business day after the incident is reported; and (2) the alleged bully within a reasonable time after receiving the report. [See Policy FFI (Local).] Reports of bullying or harassment may be submitted anonymously, verbally, and/or in writing. However, the principal or designated administrator shall document the allegations in writing and record the dates and circumstance of the interview.

The District does not have jurisdiction over other situations occurring in the community even though an incident may involve students (including technology-related communications – such as emails, texting, Facebook, messages, etc. – containing threats, bullying, and/or harassment) unless there is a direct impact to the school setting. District personnel may, however, conference with students regarding inappropriate behavior and effective ways to resolve conflict.

Investigation of Report

After a report of prohibited conduct is made, a conference will be scheduled and held as soon as possible within seven days of the request. The principal, principal’s designee, or a third party designated by the District, such as an attorney, that investigates the complaint will complete the investigation of the complaint within ten school days, unless extenuating circumstances warrant

additional days to thoroughly investigate the claims. The student or parent will be informed if extenuating circumstances delay completion of the investigation. The student will not be required to present a complaint to a person who is the subject of the complaint. See Policy FFI (Local); see also [Bullying Checklist for Schools](#).

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and to comply with the law.

If a law enforcement or other regulatory agency notifies the district that it is investigating the matter and requests that the district delay its investigation, the district will resume the investigation at the conclusion of the agency's investigation.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

If upon completion of the investigation the principal or designated administrator determines that the alleged incident does not rise to the level of bullying, the District will proceed in accordance with the Student Code of Conduct in deciding what, if any, discipline should be assessed other documented prohibited conduct. A parent or adult student (a student over 18 years old) who is dissatisfied with the outcome of the investigation may appeal in accordance with Board Policy FNG (Local).

Transfer Options

In addition to the penalties and consequences set forth in this *Student Code of Conduct*, pursuant to state law, on the request of a parent or other person with authority to act on behalf of a student who is a victim of bullying/sexual harassment/dating violence, a student who is a victim of such conduct as determined by the Board of Trustees or designee, may receive a transfer to another classroom at the campus which the victim was assigned at the time of the bullying/sexual harassment/dating violence occurred.

The Board of Trustees or the Board's designee shall verify that a student has been a victim of bullying/sexual harassment/dating violence before transferring the student under this section. Past student behavior may be considered when identifying bullying/sexual harassment/dating violence. The determination by the Board of Trustees or the Board's designee is final and may not be appealed. The district is not required to provide transportation to a student who transfers. There are no hearings or appeals for a transfer due to bullying/sexual harassment/dating violence behavior.

The Board may transfer the student who engaged in bullying to:

- another classroom at the campus to which the victim was assigned at the time the bullying occurred; or

- a campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent or other person with authority to act on behalf of the student who engaged in bullying.

The transfer of a student with a disability who receives special education services and who engaged in bullying may be made only by a duly constituted ARD committee under Education Code 37.004.

General Conduct Violations

The categories of conduct below are prohibited at school, in vehicles owned or operated by the district, and at all school-related activities, but the list does not include the most severe offenses. In the subsequent sections on Out-of-School Suspension, DAEP Placement, Placement and/or Expulsion for Certain Offenses, and Expulsion, certain offenses that require or permit specific consequences are listed. Any offense, however, may be severe enough to result in Removal from the Regular Educational Setting as detailed in that section.

Possession of Telecommunications or Other Electronic Devices

Students shall not:

- Use a telecommunications device, including a cellular telephone, or other electronic device in violation of district and campus rules, unless, they are being used for approved instructional purposes or with authorization of the campus principal. The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

Discipline Management Techniques

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques (i.e.- Crisis Prevention Institute- CPI), including restorative practices. Discipline shall be based on the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

HB 674 prohibits districts from placing students below grade 3 in out-of-school suspension, except for certain violent or weapons offenses or alcohol or drug-related conduct.

Discipline of Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LLEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief “time-out” period in accordance with the law.

- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts/Behavioral Intervention Plans (BIP).
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior Coaching/Coaching Opportunities that Narrow Educational Challenges Team (CONNECT).
- Anger management classes.
- Mediation (victim-offender).
- Classroom circles.
- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation district transportation privileges.
- School-assessed and school-administered probation.
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

*****SMSD prohibits corporal punishment. See Policy FO (LOCAL).**

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain.
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the

disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Teacher, campus administrators, or campus behavior coordinator are required to inform parents about the use of restraint and also to assist in the collection of data to be reported through PEIMS Texas Education Code §37.0021, Use of Confinement, Restraint, Seclusion, and Time-Out and Texas Administrative Code §89.1053, Procedures for Use of Restraint and Time-Out, specifically §89.1053(e)(3),(4),(5)(A-I).

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG (LOCAL). A copy of the policy may be obtained from the principal's office or the central administration office or through Board *Policy On-Line* at <http://pol.tasb.org/Home/Index/485>.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office to maintain effective discipline on the bus. The principal must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or designee may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

Emergency Removal based on Allegations of Sexual Harassment

If a student is the alleged perpetrator of sex-based discrimination, sexual harassment, or retaliation, the respondent student may be subject to immediate emergency removal from his or her campus after the District conducts an individualized safety and risk analysis and if the District finds it necessary to protect a student or other individual from immediate threat to their physical health or safety.

If the District decides to remove the respondent student from campus, it will notify the respondent student and provide the respondent student an immediate opportunity to challenge the removal decision. The District's process for challenging a removal decision is set forth in Board Policy FNG(LOCAL).

Formal Removal

A teacher **may** also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning Student to Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault or aggravated sexual assault, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent, if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and co-curricular activities.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 6 and secondary classification shall be grades 6- 12.

Summer programs provided by the district shall serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student **may** be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 year of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Any criminal mischief, not punishable as a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see glossary) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony.
 - Commits an assault (see glossary) under Penal Code 22.01(a) (1).
 - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in the **Expulsion** section.) (See glossary for "under the influence.")
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in the **Expulsion** section.)
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See glossary.)
 - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)

- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see glossary),
 2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
 3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

Subject to the requirements in Title IX provided above, if a student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Child Sexual Abuse

The District has established a plan for addressing child sexual abuse, which may be accessed at the principal's office. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches. Behavioral indicators may include verbal references of pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse, and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse, the campus counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (TDFPS) also manages early intervention counseling programs. To find out what services may be available in your county, see:

Process

Removals to a DAEP shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Placement Order

After the conference, if the student is placed in the DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from DAEP shall not count toward fulfilling the total number of school days required in a student's DAEP placement order.

The district shall administer the required pre-and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG (Local). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office or through *Policy On Line* at the following address: <http://pol.tasb.org/Home/Index/485>.

Appeals shall begin at Level 1 with the campus principal.

Appeals shall begin at Level 2 with the Chief of Schools.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions During Placement

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

The district shall provide transportation to students in a DAEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program shall be the last instructional day, and the student shall be allowed to participate in the graduation ceremony and related graduation activities unless, otherwise specified in the DAEP placement order.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal during Process

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year

if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student **may** be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or

3. Is not in the best interest of the district's students.
4. Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement Review

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, or
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See DAEP Placement.)

Any Location

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.

- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student’s consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a) (1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student:
 - Aggravated assault.
 - Sexual assault.
 - Aggravated sexual assault.
 - Murder.

At School, Within 300 Feet, or at a School Event

A student **may** be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving or delivering to another person or possessing, using or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See glossary for “under the influence.”)
- Selling, giving, or delivering to another person, or possessing, using or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Section 22.01(a) (1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

Within 300 Feet of School

A student **may** be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school’s real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)
- Murder, capital murder, or criminal attempt to commit murder or capital murder.
- Indecency with a child, aggravated kidnapping, manslaughter, criminally negligent homicide, or aggravated robbery.
- Continuous sexual abuse of a young child or disabled individual.
- Felony drug- or alcohol-related offense.
- Unlawfully carrying on or about the student’s person a handgun or a location-restricted knife as these terms are defined by state law (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapons, as defined by state law. (See glossary.)
- Possession of a firearm, as defined by federal law. (See glossary).

Property of Another District

A student **may** be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in DAEP

A student **may** be expelled for engaging in documented serious misbehavior that violates the district’s Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
 - a. Public lewdness under Section 21.07, Penal Code;
 - b. Indecent exposure under Section 21.08, Penal Code;
 - c. Criminal mischief under Section 28.03, Penal Code;
 - d. Hazing under Section 37.152; or
 - e. Harassment under Section 42.07 (a) (1), Penal Code, of a student or district employee.

Mandatory Expulsion: Misconduct That Requires Expulsion

A student **must** be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district’s control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See glossary.)

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle, or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the student’s person the following, in the manner prohibited by Penal Code 46.02:
 - A handgun, defined by state law as any firearm designed, made or adapted to be used with one hand. (See glossary.)

Note: A student may not be expelled solely on the basis of the student’s use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus, while participating in or preparing for a school-sponsored shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organizations working with the department. (See FNCG (LEGAL).)

- A location-restricted knife, as defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined by state law. (See glossary.)
- Behaving in a manner that contains elements of the following offenses under the Penal Code:
 - Aggravated assault, sexual assault, or aggravated sexual assault.
 - Arson. (See glossary.)
 - Murder, capital murder, or criminal attempt to commit murder or capital murder.

- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Chief of Schools (COS) the authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the Chief of Schools (COS) shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the COS shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal during Process

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then reenrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order; and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LLEGAL) and FODA(LLEGAL) for more information.

Glossary

The glossary provides legal definitions and locally established definitions and is intended to assist in understanding terms related to the Student Code of Conduct.

Abuse is improper or excessive use.

Aggravated robbery is defined in part by Penal Code 29.03(a) when a person commits robbery and:

1. Causes serious bodily injury to another;
2. Uses or exhibits a deadly weapon; or
