

# 2021 – 2022 Baker Middle School Supplies List

**Directions:** Look at your grade level for core classes. Some items may not require the purchase of additional supplies. For example, if all classes listed colored pencils, one pack will work for all core classes. After you know which core supplies you will need, complete the same process by checking what supplies you will need for your specific elective courses. Some items you may already have at home. Good luck getting all your supplies!
