

Step 4: Sign up for a Schoology Account

1

Open the PowerSchool Schoology Report to get the unique code for your student.
Visit <https://app.schoology.com/register> to complete the Schoology registration process.

Dear Gibbons Family,

As a part of your Gibbons experience this year we are proud to announce that we have a new Learning Management System. A Learning Management System (LMS) is a system that gives educators and parents a single place to access all of their assignments and course information. Schoology and those grades will feed directly into PowerSchool.

While students will be granted access via their Gibbons credentials, parents must access the LMS and view student course assignments.

This access code below will be used to generate an account to view class assignments. If you have more than one student, you will receive multiple letters with a code for each student. Or you can use the additional codes to add other students to your account.

Schoology Access Information
Schoology Code

Please create your account at the following url:
<https://app.schoology.com/register>

If you are having difficulty with your account, please contact Technology@cghsnc.org

We are looking forward to sharing your academic journey this year with your family.

3

Paste the unique code from the PowerSchool Schoology Report.

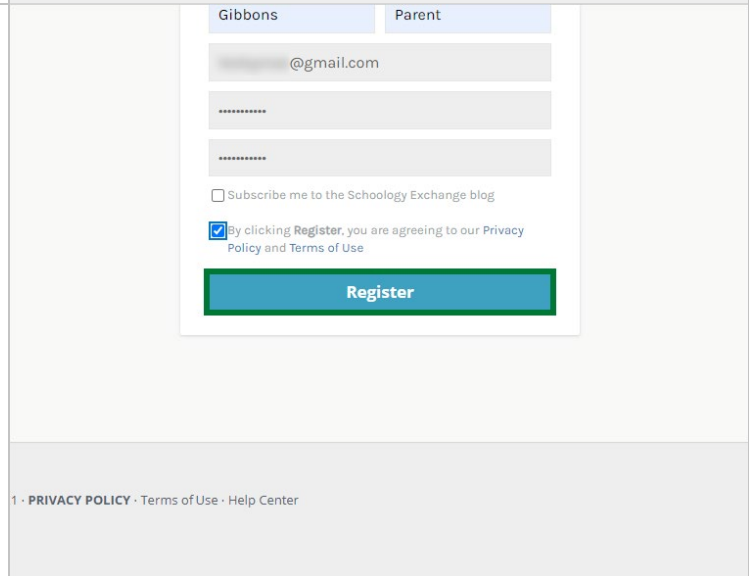

The screenshot shows the Schoology website header with the logo partially visible. Below the header is a white sign-up box titled "Sign up for Schoology" with a "Back" link. Inside the box is a text input field containing a unique code, followed by the instruction "Enter the access code provided by your child's instructor". A green "Continue" button is at the bottom of the box. Below the sign-up box is a footer with links for "1 · PRIVACY POLICY · Terms of Use · Help Center".

4

Enter your name, email address and desired password. Click register.

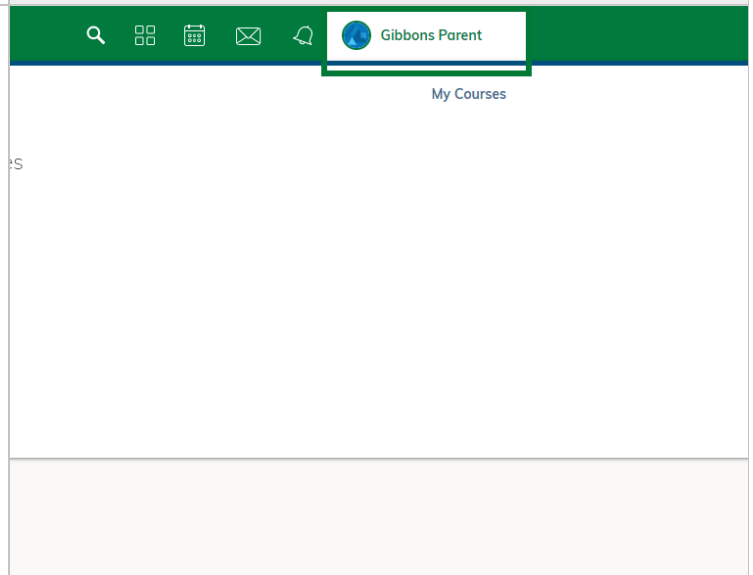

The screenshot shows the registration form on the Schoology website. At the top, there are tabs for "Gibbons" and "Parent". Below the tabs are input fields for a name (partially filled with "Gibbons"), an email address (partially filled with "@gmail.com"), and two password fields (both filled with "*****"). There is a checkbox for "Subscribe me to the Schoology Exchange blog" which is unchecked. Below that is a checked checkbox with the text "By clicking Register, you are agreeing to our Privacy Policy and Terms of Use". A green "Register" button is at the bottom of the form. Below the form is a footer with links for "1 · PRIVACY POLICY · Terms of Use · Help Center".

5

This is your parent Schoology experience.

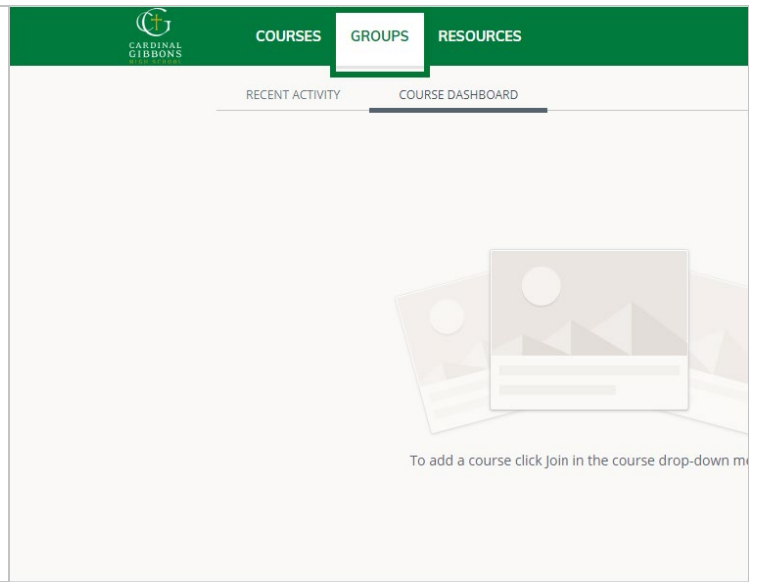

The screenshot shows the parent dashboard on the Schoology website. At the top is a dark green navigation bar with icons for search, home, calendar, email, and notifications. A dropdown menu is open, showing "Gibbons Parent" with a globe icon. Below the navigation bar is a section titled "My Courses" with a list of courses. The first course is partially visible, showing "S". Below the course list is a footer area.

6

Click **Groups**. Throughout your Gibbons journey, you may become a member of parent groups and other Gibbons activities.

7

Toggle to view Schoology as your student or to add an additional student to your account. You will need the unique Schoology code from the PowerSchool Schoology report for each additional student.
