

SAT and ACT Dates and Test Sites 2021-22

Students: please register as soon as you know you want to take the test and at least two weeks before the deadline to get the best chance at the test site you want. Note that these are the only sites where we will provide transportation, and when school is not in session or Westtown is giving the test, we do not provide transportation to other sites. Here is the [Google form to sign up for transportation](#) - it will be updated each month with new sites and dates. Only Westtown students may complete the form, and you are expected to check your email for more information leading up to your test.

Note that all plans are subject to change or cancellation due to pandemic guidelines.

Contact any college counselor or T. Debra, our registrar, with questions.

ACT Test Date	Registration Deadline	Late Registration Deadline (with fee, if space is available)	Test Site for Westtown Rides
