# CENTAURUS HIGH SCHOOL

## Warrior Weekly News

### Principal's Notes

It was great to welcome all of our Centaurus Warriors back to school this week! Seeing everyone in the halls and in classrooms was wonderful, and I am proud of how well faculty, staff, and students are approaching the new year.

As we move forward, we will be doing everything we can to keep the Centaurus community safe and our school open. I want to remind everyone that we do have free COVID testing available at the COVID Check Colorado site located in the Centaurus parking lot. I would also like to remind everyone that masks are required by everyone inside the building at Centaurus High School. Please send your student to school with a mask every day and do not send students to school if they are sick.

Thank you to everyone for a great start to the school year!

Daniel Ryan

## HEADLINE NEWS: Transition Day!

Our C-Squad team of upperclassmen and all Centaurus staff were thrilled to welcome freshmen to campus on Wednesday. We had an amazing first day where students gathered outside for the traditional welcome tunnel and assembly, participated in several fun stations, enjoyed lunch together, toured the school, rotated through a mini version of their first semester class schedule, and received their district Chromebooks. We were very pleased to have new to CHS 10th, 11th, and 12th grade students join us for the morning activities as well so we could introduce them to the campus.

Many thanks to our amazing C-Squad leaders who organized and carried out this event!

## Getting to know your Centaurus Team: AMY TANKLEFSKY

Each week we will introduce a member of the Centaurus staff and teachers to our parent and student community. This week, we'd like to introduce **Amy Tanklefsky**.

Hello, everyone! My name is Amy Tanklefsky and I am a resource special education teacher here at Centaurus. I grew up in Broomfield and attended BVSD schools from elementary through high school. It is nice to be back in the district! After high school, I attended the University of Northern Colorado, earning my BA in Special Education. When I am not teaching, you can typically find me at any local coffee shop. I am HUGE on playing games, specifically card games. I also love to play music - hence the picture in front of the guitar. I am very excited to join the Warrior family this year!
