

After creating your narrated Powerpoint, you can record it using Zoom then upload the resulting file to Blackboard or to Youtube.

Here's how.

Sign into you SLU account, then under MySLU Tools click on Zoom to access your free licensed account <https://zoom.us/freesignup>

In your Zoom account, in the upper right click "Host a Meeting, With Video On", then share your presentation.

Now you can either upload the mp4 file to Bb: <https://support.zoom.us/hc/en-us/articles/202291078-Upload-Local-Recording-to-the-Cloud>

OR

Upload the mp4 to Youtube, signing in with your SLU account and password, then share the link on Populi: <https://www.youtube.com/upload>
