PERSONNEL POLICIES FOR SCHOOL PSYCHOLOGISTS

The following policy covers school psychologists, and will be referred to throughout this document as "professional employees".

I. GENERAL EMPLOYMENT PROVISIONS

A. Placement of Professional Employees New to the District

The initial placement of a professional employee to a school or district department will be determined by the needs of the district and the qualifications and experience of the professional employee.

B. Posting of Vacancies

1. Vacant positions will be posted on the district web site. The posting shall list all known vacant teaching, school psychologist, and administrative or supervisory positions which occur. "All known vacant positions" shall mean all positions .5 or more or whose aggregate parts in various buildings total .5 or more. Supplemental pay positions unfilled within the school after October 1 shall be posted. The Vacancy List shall be maintained with appropriate additions, deletions, and revisions.
2. Professional employees who desire to apply for a vacancy shall complete an online transfer form on the district application website. Five school days from date of posting shall be granted to apply for listed positions. The closing date for application will be stated on the job posting.
3. When a professional employee resigns their position during the contract year without notice to the district, the five-day posting period is waived, subject to the following:
 - a. The position must remain open for 2 school days.
4. The requirements of I, Section B, paragraphs 2 and 3 shall be waived from July 15 through September 1.

C. Outside of School Employment

Professional employees shall not be excused during their regularly-assigned schedule to do outside work. The board shall not place limitations upon the type and amount of outside employment in which professional employees engage unless, in the opinion of the superintendent, such outside employment could reasonably be expected to interfere with, conflict with, or have an adverse impact upon the employee's performance for the district.

D. Termination of Contract

1. A contract may always be modified, terminated, or non-renewed by mutual agreement between the professional employee and the district. Additionally, the board reserves the right to demote, terminate, or non-renew in accordance with the provisions of law.
2. The district reserves the right to terminate or non-renew professional employees because of a decrease in the number of pupils or for any other causes over which it has no control. In such a case, the selection of professional employees for termination or non-renewal shall be made in a non-arbitrary manner.
3. The board may order a physical or mental examination for a professional employee prior to dismissal on the basis of physical or mental disability, the expense to be borne by the district. The professional employee may have their own examination; and in the event the medical examinations conflict, a third examination may be ordered at board expense to be conducted by a mutually acceptable physician.

E. Resignations

1. All resignations of professional employees shall be made in writing to the Office of Human Resource Services and shall indicate an effective date.
2. The district will accept resignations for the succeeding school year without restriction if tendered before the date designated in K.S.A. 72-2251. Except where otherwise provided by law, resignations tendered after the date designated in K.S.A. 72-2251 will be accepted subject to the availability of a suitable replacement for employment by the district.
3. Active professionals who tender their resignations/retirements prior to February 1, will receive a \$1,000.00 incentive payable at the conclusion of their current contract. Professional employees must complete their contract year to be eligible for the payment. This provision will sunset after the 2019-2020 school year if not renegotiated.

F. Retirement

1. Retirement for professional employees may take place on the first day of July next following attainment of age 65, or on the first day of July in any year thereafter. Earlier retirement may be taken in accordance with Kansas law as is in such cases made and provided.
2. Professional employees shall be subject to the requirements of the Kansas Public Employees Retirement System, Social Security, and the laws relative thereto, and such professional employees are charged with the responsibility of becoming familiar with the laws, rules and regulations pertinent thereto.

G. Personnel Evaluations

1. In compliance with state law and in order to insure a high quality of performance on the part of professional employees of Unified School District No. 512, a continuous program of professional employee evaluation shall be established in the school district. The superintendent and his/her designees shall have primary responsibility for making such evaluations. The evaluation process should attempt to measure the success of the individual professional employee in meeting his or her job responsibilities, duties and objectives.
2. The evaluation procedure shall include self-evaluation on the part of the individual professional employee, job site visitations by the administrative staff, and such other evaluative procedures as the superintendent may deem appropriate.
3. Evaluations will be conducted in compliance with the plan submitted to the Kansas State Department of Education Teacher and Leader Evaluation System. For the duration of the 2021-2022 school year and moving forward psychologists in their first and second year in the district will be evaluated both in the first and second semester. School psychologists in their third year and beyond will be evaluated once per year, concluding by the end of March. The Special Education department will develop a timeline for evaluation which complies with this agreement and share this with the district School Psychologist.
4. Personnel Evaluation Folders
 - a. All information used in appraisal shall be kept in a confidential personnel file. This folder will include all material helpful in working with the professional employee, as well as any information which might be used in consideration of continued employment. It shall be available for inspection by the professional employee.
 - b. The folder will follow the professional employee when he or she transfers. The appraiser will send the folder in a sealed envelope to the personal attention of the receiving appraiser.
 - c. Folders of personnel who leave the system will be forwarded to the Office of Human Resource Services.
 - d. Except by order of a court of competent jurisdiction, evaluation documents and responses thereto shall be available only to the evaluated professional employee, the board, the administrative staff making the evaluation, the State Board of Education, the board and administrative staff of any school to which such professional employee applies for employment, other administrators of the district as may be designated by the board of education or the school attorney, if requested by the board or the administration, and other persons specified by such professional employee in writing to the board.

5. Personnel Office Information

- a. All material which is placed in the professional employee's permanent personnel file and which may be used to determine the professional employee's continued employment or advancement in the school district shall be available for inspection by the professional employee; provided, that information received by the school district prior to employment, which shall include confidential references or evaluations obtained from sources outside the school district, shall be exempted from this inspection. However, the professional employee shall be provided a list of such items upon request.
- b. No information used in appraisal or evaluation shall be maintained except in the appropriate personnel appraisal folder.
- c. A professional employee may have any evidence of competence, professionalism, or outstanding performance of service placed in his or her personnel folder.

H. Political Activities

1. All professional employees shall enjoy the rights and privileges of any free citizen in matters of a political nature. The only restrictions imposed upon professional employees by the board of education are as follows:

All professional employees, upon presenting evidence of having been elected to public office, shall be granted a leave of absence without regular salary to serve in such office.

I. Health Certification

1. Every professional employee employed by this school district is required by state law, K.S.A. 72-5213, to furnish a certificate of satisfactory health. Prior to commencing employment with the district, each such professional employee must present to the Office of Human Resource Services a properly completed, dated, and signed health certificate on a form provided by the district. Thereafter, a health certificate may be required at such

other times as may be deemed advisable. Forms for the health certificate may be secured from the Office of Human Resource Services. Each such professional employee will pay for his or her own health examination.

J. Complaint Procedure

1. The communication between all professional employees of the Shawnee Mission Unified School District No. 512 supervisors, and the administrative staff is a mutually important objective. Toward the end of implementing easy communication and a cooperative atmosphere so essential to our school activities, the district administration wishes to outline the following as the proper procedure for quick, amicable solutions to any problems or complaints.
 - a. The complaint should first be submitted to the supervisor, orally, within 10 days after the particular problem arises. If the matter is not settled within 5 days thereafter; then
 - b. The complaint may be presented within a period of 5 days thereafter, in writing to the supervisor. If the matter is not settled within 5 days thereafter; then
 - c. The professional employee may submit the complaint within a period of 5 days thereafter, in writing, to the certified personnel administrator, whose decision in line with the evidence presented, which may include an interview with the professional employee, shall be considered final in the matter.
2. The inclusion of time limits in this procedure is purely for the purpose of ensuring prompt action. In those circumstances where the professional employee does not pursue the next step of this complaint procedure within the time period specified, the complaint may be considered as having been settled to the satisfaction of all concerned.
3. The district administration would like all professional employees to understand the filing of a complaint will not reflect unfavorably against the individual professional employee in any manner, but will be interpreted as an effort for the improvement of relationships and operation in the Shawnee Mission Unified School District No. 512.
4. The times or days listed for each step of the complaint procedure are maximum times and do not mean any professional employee cannot speed up the process as the need demands.

K. Employment Period

1. Every professional employee in this school district is employed and serves at the pleasure of the board of education, in accordance with the employee's individual contract, and in compliance with state law.

At least annually, the superintendent will make recommendation to the board of education concerning the continuation or renewal of a professional employee's employment. Such recommendations shall be based upon an annual or more frequent appraisal of the

professional employee's professional competency, job performance, professional growth, and other relevant factors.

2. Any professional employee may be placed on probation by the superintendent for a designated period of time. The purpose of such a probationary period is to review, appraise, and assist a professional employee in improving his or her professional competency and job performance. To that end, any professional employee placed on probation shall receive close supervision, guidance, and instruction concerning his or her job responsibility. A professional employee will be informed in private conference and in writing of the period of probation, the reasons for probation, and the areas of job performance in need of improvement. However, there may be times in which the superintendent determines the need to bypass probation and proceed immediately to a recommendation of termination or non-renewal, and nothing in this policy should be construed as prohibiting such action.

L. Non-Renewal, Demotion, Suspension, Impairment

1. Non-Renewal

Non-renewals by the board shall be in accordance with the provisions of law and board policy.

2. Demotion

A recommendation to the board for demotion shall include a written statement by the superintendent to the affected professional employee specifying the reason for such demotion. 3. Suspension

The superintendent may suspend a professional employee whenever necessary to protect the best interests of the school community.

4. Impairment of Job Performance by Reason of Poor Health

The superintendent may direct a professional employee to secure a physical or mental examination if there is reason to believe that the job performance of the professional employee is being impaired by reason of poor health. The cost of such examination shall be paid by the district.

The professional employee may seek a second physical or mental examination, at his or her own expense, if the professional employee so desires. In the event the examinations conflict, a third examination may be ordered by the superintendent, at district expense, to be conducted by a mutually acceptable physician.

M. Termination: Due Process Procedure

1. Whenever the board of education proposes to terminate the contract of employment of a professional employee, except supplemental contracts entered into under the provisions of K.S.A. 72-5412a, written notice of the proposed termination shall be given to such professional employee. Such written notice shall include (1) a statement of the reasons for the proposed action, and (2) a statement that the professional employee may have the matter heard by the board of education upon filing a written request for hearing with the clerk of the board within 15 days from the date of such notice of proposed termination.

 - e. The right of the parties to have an orderly hearing; and
 - f. The right of the professional employee to a fair and impartial decision based on substantial evidence.

Hearings hereunder shall not be bound by the rules of evidence whether statutory, common law, or adopted by the rules of court. The board may take any action necessary to make the hearing accord with administrative due process.

4. Testimony at a hearing hereunder may, and upon the request of either party shall, be taken by a certified shorthand reporter or electronically recorded. The party making such request

shall pay the costs connected therewith. The cost of a transcript of the proceedings shall be paid by the party requesting the transcript.

5. Unless otherwise agreed to by both the professional employee and the board, the board shall render a written decision on the proposed termination within 15 days after the close of the hearing, setting forth its findings of fact and conclusions. Such written decision shall be made available to the professional employee. The decision of the board of education shall be final.
6. Nothing in this policy shall be construed to create any right, or to authorize the creation of any right, which is not subject to amendment or nullification by the board of education. Nothing in this policy shall be construed to constitute any impairment of any existing contractual right.

2. It shall be understood that non-accumulative temporary leave shall not be deducted from accumulative leave unless otherwise stated.
3. Holidays occurring within the period that a professional employee is absent shall not be charged against temporary leave.
4. A professional employee absent for any period of time because of accident or injury, or for a period of more than one week due to illness, may be required to present to the principal a written statement from their physician stating that the professional employee is physically and mentally able to return to duty.
5. This statement is to be presented in person before the professional employee returns to duty in order that the present stage of convalescence can be observed and discussed.

Professional employees employed on a part-time basis shall be entitled to all temporary leaves of absences specified in this section; provided, however, these days shall be in accordance with their prorated contractual time and compensation. 4. Absence Due to Personal Injury - Workers' Compensation

- a. Whenever a professional employee is temporarily absent from school due to a personal injury suffered on the job and is temporarily unable to perform the professional employee's duties, and the injury is not the result of the professional employee's own negligence, the professional employee may, at the professional employee's option, use accumulated sick leave to supplement their income beyond the Worker's Compensation payments or award made for temporary disability because of said injury. If the professional employee selects sick leave to supplement the professional employee's salary or if the injury was caused by a battery under subsection (b), then the professional employee will be paid by the district on a daily basis equal to ten percent (10%) of the professional employee's first \$82 on a daily basis of earnings plus eighty-five percent (85%) of the professional employee's earnings over \$82 on a daily basis. The district shall make said payments only during the school year in which the injury occurred, and in no event shall said payments continue beyond a period of 180 consecutive calendar days from the date upon which said injury occurred. The professional employee's record will be charged sick leave on the basis of the supplemental income paid divided by the professional employee's

- b. To be eligible for this benefit, the claimant will be expected to submit an affidavit describing the battery and attaching a police report, if such a report has been filed.
- c. The board shall have the right to have the professional employee examined by a physician to assist it in determining the length of time during which the professional employee is temporarily unable to perform duties and that the disability is attributable to the injury involved.
- d. In the event that a professional employee who was injured during the course of their employment is still disabled by virtue of said injury in the school year following the year in which they were injured, upon written request by the professional employee, the professional employee may use accumulated sick leave to make up the difference between their net take-home salary (as determined in subparagraph a. above) and any worker's compensation payments or temporary disability awards they are receiving, with accumulated sick leave being charged in 0.5 day increments rounded up.

5. Professional Leave

Selected professional employees may be granted leave to attend state, regional, or national educational meetings. Such leave may be initiated by either the professional employee or the school district. The applicants will be selected at the discretion of the superintendent, or other authorized administrator after consultation with appropriate persons.

IV.

EXTENDED LEAVES OF ABSENCE

Provision has been made by the board of education for absence from duty of professional employees as follows:

- Extended Leave
- Health Leave
- Parental Leave
- Military Leave
- Foreign Travel or Teaching - Academic Study Leave
- Personal Leave

All requests for extended leaves of absence will be applied for and those approved shall be granted in writing. Professional employees requesting reassignment upon completion of an

extended leave of absence will be assigned to the first available position based upon their preparation, experience, and certification. Except for Military Leave, if a vacancy is not available by the beginning of the second year following completion of the leave, the leave status ends and the professional employee is terminated from the district.

Part-time professional employees who go on Extended Leave of Absence should not expect to return to a position which would increase their contract time. A part-time professional employee returning from Extended Leave of Absence may be offered a position of greater contract time.

A. Health Leave (extended)

Any professional employee, having served the district for a minimum of three years in the school district or with approval from the Superintendent and/or their designee, whose personal illness or physical incapacity extends beyond accumulated Sick Leave will be granted leave of absence without pay or increment for the remainder of the current semester. Health leave may be extended for one additional semester with application made no less than 30 days prior to the conclusion of the current semester.
