STATEMENT OF DISCIPLINE

Oak Hall is a member of the National Association for College Admission Counseling, and as such, supports NACAC's Guide to Ethical Practice in College Admission. The school will provide colleges to which a student has applied whatever information the College Counseling Office believes is appropriate and/or is requested concerning that student. This also applies to any change in status between the time of application and graduation. It includes, but is not restricted to, a major drop in grades, honor violations, probation, suspension, dismissal, and expulsion.

COVID IMPACT STATEMENT

Oak Hall School moved to continuous online learning in March 2020. Students were issued standard letter grades for the remainder of the 2019-2020 school year. We began the 2020-2021 school year with most students attending classes in person and some attending online synchronously.

PROGRAM OF STUDY

The school year is divided into two semesters. Examinations are administered at the end of each semester. Students are required to enroll in and satisfactorily complete six credit courses each year (including four academic classes). Juniors and seniors may take five credit courses if all of them are AP courses. All students must earn 24 credits for graduation.

SPECIAL CURRICULUM FEATURES

Established in 2010, the Arts Conservatory Program (ACP) allows students to concentrate in theater, music, or visual arts. The ACP is designed to enhance students' problem-solving skills, global/cultural awareness, and critical thinking skills through intensive creative study. Entrance is by audition or portfolio; upon graduation, students earn special designation on their diplomas and transcripts.

Qualified juniors and seniors may apply to take courses offered through UF Online Dual Enrollment. Courses taken through UF's Online Dual Enrollment program cannot be used to satisfy Oak Hall's core curriculum graduation requirements. Students should take no more than two dual enrollment courses per year, and grades earned in these courses will not be factored into Oak Hall's grade point average. Students must formally apply for admission through UF. All UF Online Dual Enrollment courses will be listed on a student's transcript.

GRADING, GRADE POINT AVERAGE, RANK IN CLASS, AND HONOR ROLL COMPUTATION

Oak Hall School reports cumulative grade point averages on a traditional 4.0 scale. GPAs include grades in all classes taken at Oak Hall beginning in Grade 9, excluding PE courses. Grades earned in Honors and Pre-AP courses are weighted 0.5. The grades earned in the following classes are weighted 1.0: AP classes, English IV Advanced Seminar and Classics courses, and Arts Conservatory Program courses (ACP) taken within a student's designated concentration (theater/music/visual arts) as a junior or senior. Oak Hall does not calculate rank in class. The Honor Roll is published at the end of each semester. To qualify for the Honor Roll, a student must have earned no grades below "B-". To qualify for the High Honor Roll, a student must have earned no grade below "A-". Each semester, students receive letter grades in all credit courses with the exception of a few elective classes which are designated Pass/Fail if a student is taking these as a seventh course (Health).

A = 100-90 Excellent
 B = 89-80 Very Good
 C = 79-70 Satisfactory

D = 69-60 Poor
 F = Below 60
