

Request for Sports Credits at New Vista High School

A New Vista student may earn .4 Learning Units in the area of Path credits for each season of successful participation in a NVHS club sport or other high school varsity sport.

A maximum of 2.0 total credits may be earned during a student's high school career

Students please note: After your sport is completed, please obtain the required signatures on this form and return the completed form to the registrar so the credits can be added to your transcript.
