

**Mount Greylock Regional School District School Committee  
Finance Subcommittee**

**Location:** Zoom Remote Meeting **Date:** Monday, April 26, 2021 **Time:** 2:00 PM

**Present:** Christine Conry, Carrie Greene, Steve Miller

**Also Present:** Joe Bergeron, Art Eddy (Traverse), Dan Colli (Perkins Eastman)

**Not Present Initially:** Jason McCandless (joins 2:28pm)

**Open Session Agenda**

I. Call to order

II. Approval of meeting minutes - April 8, 2021 VOTE

III. Review of warrants

A. Payroll

B. Accounts Payable

IV. Review of draft summer fields project bid specifications

V. Other items for discussion not reasonably anticipated by the chair 48 hours before the meeting.

VI. Motion to adjourn

CALL TO ORDER AT: 2:pm

I. Call to order: 2pm

Christine Conry filling in as third member of committee coming from Lanesborough

We do not need to have members of both towns, do this to make sure all issues are heard.

II. Approval of meeting minutes - April 8, 2021 VOTE

Steve moves we approve, Carrie seconds.

Christina mentions that there could be some concerns with how it looks to have the JV scores in the minutes, suggests remove the item at the end on the JV win.

Steve accepts the amendment if someone else removes.

Motion passes: Conry aye, Greene aye, Miller aye.

### III. Review of warrants

A. Payroll

B. Accounts Payable

No questions

### IV. Review of draft summer fields project bid specifications

Joe: Similar to what saw two years ago, some ADA additions to JV fields, slight modifications to make things work better for teams across seasons. So ADA, Title IX, Safety improvements; anything else not really there (some things if doing X might as well do Y).

ISSUED FOR  
 BIDDING

PROJECT NO.  
 2020-001

April xx, 2021  
 Issued For Bid  
 PROJECT NO. 601

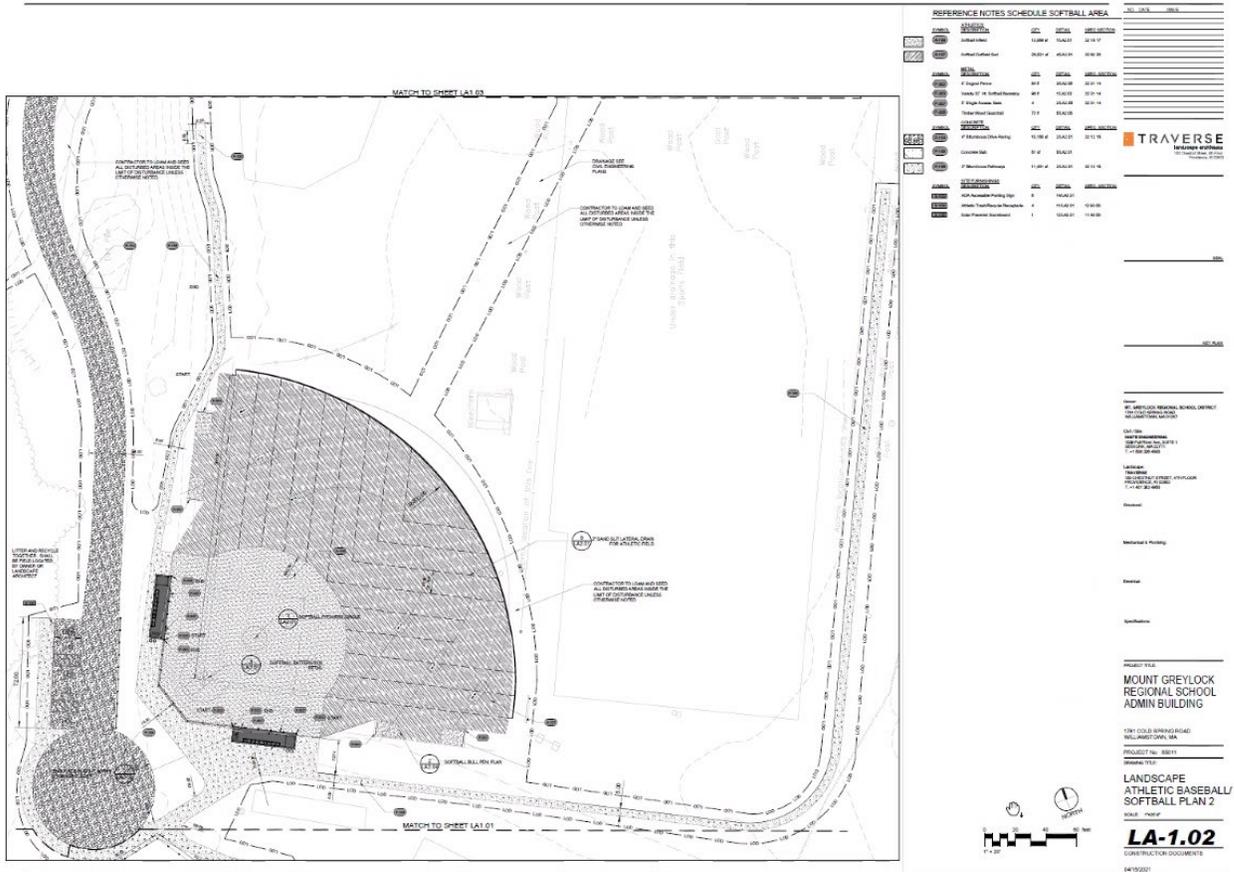

Going forward a few slides, improvement varsity baseball, ADA access to dugouts, improving backstop (safety issues with cars parked up there). Extend 4 ft fence beyond dugout.

Softball improvement: ADA access, parking area, adding scoreboard, drainage, .... Biggest changes in different material.

Note roads width now 20 not 24, 20 is what we have going around the building, that's been adequate. Basically one way. Feeling most people go out and stay out, if someone is going out.

Is it worth bumping out in a few places so cars can pass each other? Not a huge length of road, grading issues, not worth doing.

JV softball: upgrade backstop. Signs added on parking. Connecting a waterline to existing waterline which was cut off in the last project (admin building). Adding access. Dealing with drainage.

Steve: Should we record from here on? This way other committee members can hear if they want.

Decide to record.

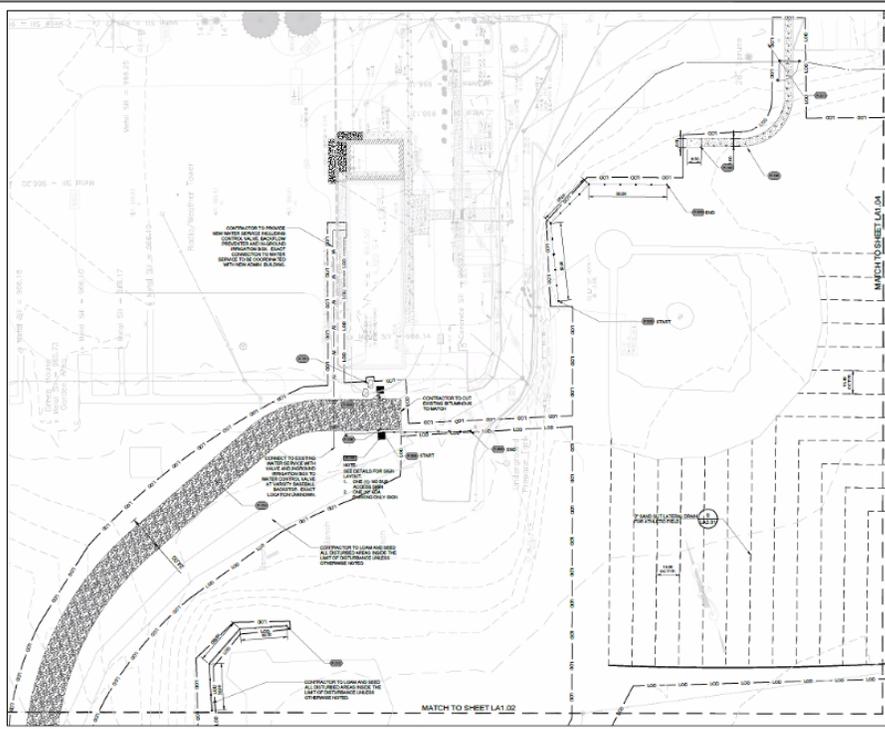

Joe: Recommending backstops be add alternates. Concept of drainage in outfield

Carrie: Water hookup – what is it for?

Art: reconnecting back as need for infield mix.

Dan: piece of field pipe all the way out, then water trickles thru. Figured would put a handhold, need some items there.

Joe: Not sufficient for irrigation; for quick clean-up. Having to water the ground to keep down during game / practice. Nothing more significant.

Continuation, picking up drainage for JV baseball

have triggered items but do not have those now. Most of the pathways. Proposed plans meet all ADA requirements.

Title IX comes in to play when do improvements on one field have to match on another. Have to match like sports. Matching baseball with softball. Have to do JV baseball with softball, piece for piece.

Steve: What are projections for all the teams? Will we have enough for softball? Did have issues with football. What happens if we cannot field a team? Can we do a combined team with another district?

Joe will check. If we cannot field a team would have to contract a team on the other side.

Art: Can regionalize to field a team.

Carrie: has Lindsey indicated any issues with fielding a team?

Joe: Haven't heard any concerns.

Jason joins at 228pm

Lost Art at 230pm

Joe: With Title IX need to offer equal opportunities, making sure if offering baseball we offer softball and have facilities.

Art back at 233pm: Can regionalize to field teams.

bid. Bidding climate: tough one: in athletic world things have slowed down b/c of covid. Just starting to see numbers now – last two months – on athletic projects, down slightly, not sure what they mean. Contractors looking for work now.

Steve: Very helpful.

Joe: Expecting to see a site work contractor who is typically a sub of an athletic, expect they can do it all self and not require a general contractor for a building project.

Agree we have the level of detail we need.

Joe: Would like tomorrow to get a set of documents to go out to bid.

Carrie: Question of drainage: why is that an add alternate?

Joe: Not part of the project initially, an upgrade. When field is wet it is unplayable and not usable; this drainage will make it useful.

V. Other items for discussion not reasonably anticipated by the chair 48 hours before the meeting.

No

Christina leaves at 2:50pm

VI. Motion to adjourn

Steve moves, Carrie seconds.

Motion passes unanimously: Greene aye, Miller aye.

Minutes taken by Steven Miller, Secretary
