

Arrangements for the start of the 2021-22 Academic Year at Methodist College

We aim to re-establish our full educational programme, in and out of the classroom, at the earliest possible opportunity. These arrangements will be kept under constant review and updated in line with any guidance issued by the government and the Public Health Agency.

During their induction sessions pupils will be informed about what is expected of them, the detail of their timetable and other operational matters. Pupils in Forms 3, 5 and U6 know which Tutor Group they are in. Form 1 will receive an e-mail by Wednesday 25th. Forms 2, 4 and L6 will be able ascertain their Tutor Group on MySchool also by Wednesday 25th.
