

In order to provide food to our school community in a safe and effective manner, pre-ordering of lunches is required for all grades campus wide. Please see below for your building's pre-ordering instructions.

ELEMENTARY

Lunches will be placed outside the classrooms for the teachers to pass out to students. Parents may order lunch through the Little Rock Christian App or the FACTS Family Portal. Teachers will still ask students if they need to order but will confirm if the parent has already ordered, so families won't be charged twice. To speed up the process of getting lunches prepared for distribution, we are asking parents to pre-order if at all possible. The deadline for ordering is 8:00 a.m. day of, so it doesn't conflict with teacher ordering. We will have cold sandwiches available for those who forget to order. If you need to cancel an order email, Sprouts@LittleRockChristian.com no later than 9:00 a.m.

The menu will include options of a hot lunch, cold lunch, or a nugget pack. Each includes one drink. Also available is an extra entree or extra drink. The extra drink and entree options are provided mainly for the older students who may have a bigger appetite. For example, if they get a nugget pack with an extra entree, they will get 10 nuggets instead of 5, or on pizza day, an extra entree with the hot lunch provides two pizzas. Be sure to check the menu on FACTS Family Portal for what's available daily.

Monday (Alternating Hot Lunch)
