Dear Families,

Welcome to 2G! I hope you are having a great summer and are looking forward to starting second grade in a few weeks!

Sports have always been a big part of my life. Whether I am on the sideline watching someone in my family, cheering on local sports teams, or actually playing I have always been part of a team. A lot like sports, I believe teaching is also a team effort! After graduating college I worked for the School District of Upper Dublin within their special education program. Working with children in an inclusion classroom setting has shown me that each and every child can be successful when goals are created within reach. More recently, I have taught third, fourth, and second grade at Merion. This year I am looking forward to teaching my ninth year of second grade and excited for the opportunity to continue to be part of the Merion community!

My summer has been action packed! We have a 6-year-old son, Mason, who recently passed the deep end test at our swim club and is reading everything in sight as a new reader. We also have a daughter, Dakota, who recently turned four. She is more timid in the water than her older brother, but fearless on roller coasters and just started riding without training wheels on her bike. Sadie is our youngest daughter who turned one in July. She is her siblings’ biggest fan and is the happiest “in-house” best friend they could have asked for. Although exhausting, I would not have it any other way! I also spent a lot of time at the pool, took some beach trips, and made some home improvements on our 1800s farmhouse. With September right around the corner, I have been busy planning for our upcoming year together. Some things you can look forward to are reading interesting books, learning about air and weather, and finding out about famous people in history!

2G students - I would love to hear from you before the school year starts! If you have time, please send me a short note or email telling me something about yourself and what you have done this summer. You can mail a letter to Merion Elementary or email me at GreenM@lmsd.org. Also, on the first day of school please bring one thing that reminds you of your summer to share with our class. Whatever you decide to share must fit in your backpack.

I cannot wait to work together as a team in second grade! Enjoy the rest of your summer!

Sincerely,

Mrs. Green
2G (Green) 2021-2022 STUDENT SUPPLY LIST:
