FEEP REQUEST GUIDELINES

The FEEP Program Committee will meet to review requests on the first Tuesday of the month (November, February and April). Requests must be received by Kathy Zavoral at the District Office by the 20th of October, January or March each year. Requests may be hard copy or scanned and emailed to kzavoral@faribault.k12.mn.us. Request forms can be found on the district website under the “Teaching and Learning/FAPSETA and FEEP” tab. Staff completing request applications should plan to present their request to the committee at the quarterly meeting.

FEEP will not fund:

- Staff salaries
- Workshop fees for staff
- Office and classroom furniture
- Property or equipment maintenance
- Field trips

If your request is approved, you are responsible for notifying FEEP of any variation from the original grant request.

If the approved funds are not used within the fiscal year, they return to FEEP, and the requestor may re-apply the following year.

You may be asked to provide follow-up information and/or attend a FEEP sponsored event to present how the grant was utilized, and how it benefited students.

Changes may be made to these guidelines and requirements at the discretion of the FEEP Program Committee.
