

Prestonwood Christian Academy Online

Assisting Parents in the Education of their Student

Prestonwood Christian Academy Online provides students with full graduation requirements of rigorous, biblically integrated, college preparatory courses. Students may enroll in one course to supplement their current academics, enroll as a full-time PCA Online student desiring to earn a diploma, or complete a combination of courses on campus at Prestonwood Christian Academy and through PCA Online.

Assisting Schools in the Expansion of their Curriculum

Enhance your school's current curriculum with the addition of College Board Advanced Placement (AP®) courses, a variety of foreign language courses, technology courses, fine arts courses and more. Not only can Prestonwood Christian Academy Online expand your school's curriculum, but it also can provide the opportunity for students to take courses to get ahead on graduation requirements or for credit recovery.
