

SUBJECT: Save the Date: BMS Grade 6 Orientation 2021-2022

Dear 6th Grade BMS Students, Parents and Guardians,

Welcome to Bedford Middle School and the 2021-22 school year! Please hold the date of Monday, August 30, 2021 for the BMS Grade 6 Student Orientation. This event will be in-person and is for our 6th grade students only; this event is optional.

BMS has three 6th grade teaching teams; we have planned three separate orientations, one event for each 6th grade teaching team. BMS will share students' individual team placement and homeroom information by email August 27th at 4pm. We ask that students arrive at orientation knowing their team color, homeroom teacher name and room number. If, for any reason, you do not receive this email on 8/27/21, please contact the main office at 203-341-1500; the main office will provide you with the team placement information including homeroom teacher and location.

During orientation, students will be provided with an [overview of BMS \(LINK\)](#) and a tour of our school. Students will visit their homeroom location and practice opening their student hallway locker. Here is a helpful [video that explains how to open your locker at BMS \(LINK\)](#).

We look forward to seeing your student at BMS on 8/30/21 for this welcoming event!
