August 2021

Dear 4th Grade Students and Families,

Welcome to fourth grade at Merion Elementary School! My name is Mrs. Abby Oppenheim and I will be your fourth-grade teacher for the 2020-2021 school year. I am so excited to meet all of you in Room 201 in September.

We have an exciting year ahead with many new things to learn. We will learn about Pennsylvania- government, history and geography as well as the Native Americans in this area through our Social Studies Curriculum. In Science we will learn about ecosystems, electricity/magnetism, and the solar system. Although we aren’t starting the year in person, we will still learn about all of these things!

I can’t wait to get the year started so we can make fun memories together and learn how to navigate online learning together. I know there will be bumps along the way, but we will get through it as a class community.

Enjoy your last days of summer and come ready to learn and begin a memorable 4th grade year. I will see you at Merion on Thursday, September 9, 2021.

Sincerely,

Mrs. Abby Oppenheim
