

**2021-2022 Parent-Student Handbook**

**Parent/Student Acknowledgement Of Notification Form**

Dear Parents/Guardians & Students:

Welcome to the 2021-2022 school year! The Cicero School District 99 Parent and Student Handbook contains important information for you and your families, including the student discipline policy and the names of those whom you may need to contact throughout the school year. This year the Parent/Student Handbook can be found online on the district’s website, <http://cicd99.edu>. It is my hope that this handbook will assist all of us to work in partnership according to our mission statement.

Please read the Parent-Student Handbook and review it with your child(ren). If you have any questions or concerns, please contact your children’s teachers and building administrators. Each Cicero SD 99 school is listed in the handbook with its address, phone and fax numbers.

Please complete and sign the form below listing all of your children who attend one of the Cicero SD 99 schools.

Sincerely,

Dr. Aldo Calderin, Superintendent
