August, 2021

Dear Parents, Guardians, and Fabulous First Graders,

Welcome to First Grade! I hope you are having a wonderful, fun, and relaxing summer. I can’t wait to meet you and learn more about you and your family.

This year we will read lots of books together (both fiction and non-fiction), solve a variety of math problems, learn about communities and current events, as well as explore solids, liquids, rocks, sand, and soil.

We are going to have a fantastic year together and I can’t wait to get started. Enjoy the last few weeks of summer and get ready to have some fun learning and growing in first grade!

Attached you will find a list of supplies we think will be helpful to start off the school year virtually. Parents/Guardians- please fill out the parent informational form and return to your teacher before the first day of school.

Most importantly, we are in this together! Relationships are critical to your child’s success and it is my goal to build lasting, meaningful relationships with each of my students and their families this year.

I can’t wait to meet you all soon!
Mrs. Ashley Rosenbaum
