Dear Corbett Prep Parents and Community,

Beginning August 30, 2021, we will be offering After-School Activities (**ASA**), Community School of the Arts (**CSA**), Community School of Languages (**CSL**), and Community School of Sports (**CSS**). Each program will have safety protocols specific to each area to be in line with our Back-to-School Plan. **All programming will be reviewed daily based on safety and is subject to change if the need arises.** Please see the specific safety protocols within each program catalog.

We are so excited to offer your child(ren) the opportunity to attend our program as part of the Corbett Prep experience. You will see that we have 60+ activities that will surely entice your child to participate. They will experience the “magic” of Corbett Prep! Our enrichment program consists of the following three programs:

1. After-School Activities (**ASA**),
2. Community School of the Arts (**CSA**),
3. Community School of Languages (**CSL**) and
4. Community School of Sports (**CSS**)

All our instructors are our faculty members, alumni, and hand-selected vendors. The Community School of the Arts (**CSA**), Community School of Languages (**CSL**), and Community School of Sports (**CSS**) are available to both our Corbett Prep families and the outside community. *Our After-School Activities (**ASA**) programs are available only to our Corbett Prep families.*

Study Options

PRIVATE LESSONS: The one-on-one contact between teacher and student in the traditional private lesson allows the instruction to be catered to the student's unique needs. This is the best choice for motivated students at any level of experience. Private lessons are scheduled once each week for thirty minutes. (\$360 per trimester)

PAIR LESSONS: Two students and a teacher meet for thirty minutes once each week in pair lessons. This arrangement offers the flexibility of allocating part of the lesson to each student, working with both students together, and having the students coach each other under the direct supervision of a teacher. The social aspect of pair lessons is motivating to many students (\$250 for each student per trimester).

CLASS LESSONS: Small groups of students work with the teacher and each other in-class lessons. The teacher sets the pace for each student. Older, more advanced students build their mastery by coaching younger, less experienced students. This provides an ideal introductory experience for many students (\$150 per trimester).

FALL CATALOG 2021

PROGRAM DIRECTORS: ALEJANDRA IZQUIERDO AND VALERIA WOLTERS

Dear CSL Parents,

In today's progressively interconnected and interdependent world, proficiency in other languages is a crucial skill that allows us to engage with the world in a more meaningful and immediate way while better preparing to compete and succeed in the global economy. Research shows that people who speak more than one language have improved memory, enhanced concentration, and better listening, problem-solving, and critical-thinking skills.

The Community School of Languages is offering a variety of classes to provide children and adults in our community with these benefits. We have both Zoom and on-campus options for instruction. We understand that the face-to-face interactions our students and teachers enjoy each day are better in-person than occurring remotely. However, we are utilizing our remote learning environment so that teachers and students continue to be highly engaged in a way that enables everyone to feel safe and secure.

For our on-campus learners, we will follow Corbett Prep safety protocols:

1. All students coming from Corbett Prep dismissal or other schools will have a temperature check before attending a CSL class.
2. CSL is offering smaller class sizes to space out students and maintain physical distancing.
3. All students and teachers will wear masks during all instruction.
4. Hands will be washed before and after all classes.
5. Dismissal and drop-off will take place in the Middle School office or Elementary office at Station 3, depending on the class.
6. CSL Teachers will be responsible for picking up and dropping off children at Extended Day as needed.
7. Extended Day is offered to Corbett Prep families who require a **later start time or pickup**.

Extended Day is pre-registered only! Due to safety this year, all children need to be registered for Extended Day to use the Extended Day service.

8. Please register for our CSL classes at, <https://www.corbettprep.com/parent>
9. **All COVID-19 protocols are subject to change due to the best policies of updated guidances.**

Dear CSS Parents,

Corbett Prep's Community School for Sports (CSS) program provides student-athletes with a variety of opportunities to learn skills in a positive, goal-oriented environment.

This youth sports program is open year-round to students of all ages throughout the region, regardless of where they go to school. CSS incorporates different opportunities such as skills training, inter-club scrimmages, competitive teams, and open tournaments to expand its reach into the greater Tampa area.

Safety Protocols

Face Coverings: Masks Are Mandatory for All

All students will wear masks anywhere where physical distancing will be a challenge. Masks must cover the nose, mouth, and chin. Non-examples of appropriate masks for players and coaches include respirator-style masks, masks with words or controversial images, or gaiter-style masks.

While outdoors, students and coaches have the option to remove their masks temporarily when social distance is possible.

Hygiene protocols

Students and coaches must wash and/or sanitize hands upon arrival and after practice.

Students must bring their own water bottle (s) and keep their personal belongings 6 feet apart during our practices. Any equipment used during training will be disinfected before and after each class. Whenever it is possible, students will have their own ball or equipment throughout their practice. It is recommended to shower immediately upon arriving home.

Arrival & Dismissal

Corbett Prep students will be picked up from their dismissal locations by coaches. Community students will need to report to their gyms or outdoor spaces and their temperatures will be taken as soon as they see his/her coach. If temperatures are higher than 100.4°F or higher the player needs to go home.

Dismissal locations:

- Ultimate Warriors Basketball Academy will be dismissed at Gatlin Hall or Bellini Gym.
- VAST will be dismissed at Gatlin Hall or the Middle School outdoor lunch space.
- Ultimate Warriors Volleyball Academy will be dismissed at Gatlin Hall.
- Archery will be dismissed in front of the Admin. Office on the East Side.
- FC Rangers soccer will be dismissed at the Middle School soccer field.

Extended Day

This service is offered to families who require a later pickup. Extended Day is pre-registered only! Due to safety this year, all children need to be registered for Extended Day before being allowed. Walk-ups will not be allowed.

Sincerely
Coach Ivan Romero
CSS Director
