

**BVSD Flow Chart**  
 For students at a school without a specific program.  
 (CRS 22-32-116.5-2)

- ❖ \*Though Colorado law authorizes the school district to choose the public school at which the student shall participate, BVSD works closely with families and students to facilitate their selection of an appropriate school to maximize participation and minimize issues about eligibility.
- ❖ **CHSAA BYLAW 1800.1:** any student who establishes their high school eligibility at any high school and subsequently transfers, will be ineligible for varsity competition for 365 days from the date of their transfer in the sports they participated in a practice, contest, scrimmage, or foundation game in the last 365 days.
- ❖ If a student-athlete tries out for a high school team and is cut, they are not eligible to try-out for another high school team, in the same sport, during the same school year.

**Example:** Student resides in the BVSD boundaries but attends a school outside of the BVSD school district that does not offer Ice Hockey.  
**Options:** Per state statute, students may choose to participate at a school that offers the program in their district of attendance or district of residence. In this scenario, (district of a residence) Centaurus and Monarch would be options as the two programs in BVSD that offer Hockey. Student may choose either program for first time eligibility in high school.
