## ***Did you Know?***

*The 2021-22 Return to Learn Plan prioritizes learning loss, flexible learning options, mitigation strategies, normalizing school operations, and reducing disease spread. To learn more about the Return to Learn Plan, visit [elmbrookschoools.org/returntolearn](http://elmbrookschoools.org/returntolearn)*

## **By the Numbers - 7,700**

The District's total student enrollment of 7,700 continues to climb, nearing projections and already exceeding last year's enrollment by over 400 students. The District's current resident enrollment totals are the highest in the 21st century, and were last seen in 1981.
