Request to Transport An Athlete

Student athletes are expected to travel with the team to a contest and return with the team on the team bus. The coach may require student athletes to ride together on the team bus as part of the athletic program.

Exception: Students must have the prior approval of the coach/AD if they are not riding the bus to or from an athletic event. The coach must personally release the student to the parent or parent designee after the game. With the coach's approval, a student may travel with his/her parents or the parent of a teammate if there is advance consent provided, in writing, prior to the trip. Student athletes will not be released to another student for transportation.
