

A large, light blue, stylized outline of an apple with a stem and a leaf is positioned on the left side of the cover. The apple's shape is defined by a thick, rounded line, and the stem is a simple vertical line ending in a small circle. A single leaf is attached to the stem, pointing upwards and to the left.

Introduction

CFIS's history, colours and symbols are represented through the various uniform pieces. Each division or transitional point for students also represents a transition point for the uniform.

Some pieces are consistent throughout divisions, while others vary to represent a progression and be developmentally appropriate.
