(Regionally Increasing Baccalaureate Nurses)

In Partnership with Lenoir-Rhyne University

Admission Requirements- FALL 2022

Regionally Increasing Baccalaureate Nurses
Hickory
Collaborative
RIBN

Admissions Information

Thank you for your interest in the Hickory Collaborative RIBN program. Students admitted to Hickory RIBN must meet dual admission requirements set forth collaboratively by Lenoir-Rhyne University (LRU) and Wilkes Community College (Wilkes). Please read this information thoroughly.

About RIBN

The Hickory RIBN program is a four-year nursing option that will dually admit and enroll students to both LRU and Wilkes. This program provides a seamless associate to baccalaureate nursing education for top academic students. The first three years of study will be at Wilkes's campus along with one course per semester at LRU. Upon successful completion of the first three years, students will take their fourth year at LRU provided they pass the National Council Licensure Examination (NCLEX- RN).

RIBN Transfer Option

RIBN also offers a three year transfer option for students with 26 or more transferable college credits. If you have 26 or more transferable college credits from an accredited college/university and are interested in RIBN, please see Part Two of this document (page 5). Note: Regardless of how many college credits earned while in high school, seniors in high school should apply as traditional students, NOT transfers.

Early College, Middle College, and High School students with 26+ CCP Credit

Early College, Middle College, and high school students who have already taken many of the required sciences will be handled on a case by case basis. Please contact Margaret Shreidah at 828-328-7213 or Margaret.Shreidah@lr.edu to discuss your options. *Entering the RIBN program with too many credit hours can impact financial aid.*

Other Programs

Please note that Wilkes Community College (Wilkes) and Lenoir-Rhyne University (LRU) also have traditional two-year and four-year nursing education tracks. Each of those options has a separate admissions process from the RIBN nursing option. If you wish to apply for either of those traditional tracks, you must complete the individual admissions process for Wilkes or LRU track, and meet the admissions criteria for that specific nursing track.

Table of Contents

- Traditional 4 year RIBN track (for students with 0-25 college credit hours)..... Part 1 (pages 2- 4)
- Transfer 3 year RIBN track (for students with 26+ college credit hours)..... Part 2 (page 5)
- Additional Information for ALL applicants..... Part 3 (pages 6- 7)
- Appendices.....(pages 8-10)

PART 1: MINIMUM ADMISSION REQUIREMENTS (MAR)-

TRADITIONAL RIBN STUDENTS (High school seniors and those with 0-26 transferable hours of college credit)

1. Completion of RIBN Application for LRU

Create an account at <https://apply.lr.edu/apply/?sr=3eb45b0c-8be5-45ff-9f02-80aac410ed20> and complete the **First Year Undergraduate application. A Rising Leaders application, first time undergraduate application, undergraduate transfer application, or an application submitted to LRU through CFNC will NOT be considered as RIBN applications. Students must go through the website above, create an account, and complete the application. (Note: The applicant does not have to pay the application fee to apply. Only students admitted and planning to enroll will pay the \$35 application fee.)**

2. Completion of a Wilkes Application

After September 1st, 2021, submit a free online general Application to Wilkes indicating "RIBN" as your program of study: www.wilkescc.edu/how-to-get-started/new-students/ Students may only apply for two limited-admission programs in each academic year. WCC limited-admission programs include Associate Degree Nursing, Dental Assisting, Emergency Medical Science, Radiography, Respiratory Therapy and RIBN.

3. RIBN Information Session

Attend a mandatory RIBN information session at LRU. The information session dates and times can be obtained by contacting Margaret Shreitah at LRU (contact information on page 7). Additionally, students can meet with Margaret Shreitah in a one-on-one setting at either Lenoir-Rhyne University or Wilkes Community College to satisfy this requirement or virtually.

4. Submission of Official High School Transcript

Official high school transcript should be sent either electronically or by postal to **Lenoir-Rhyne University** (see page 7 for mailing address). Students **do not** have to submit an official high school transcript to Wilkes during the application phase. *If admitted*, a final transcript will need to be submitted prior to beginning the program that reflects additional coursework completed and the official graduation date. The final transcript will need to be sent to **BOTH** LRU and Wilkes. *Students taking college coursework will also need to have official college transcripts sent to both LRU and Wilkes upon completion of Spring 2022 courses.*

5. Minimum Unweighted Grade Point Average of 3.0

- To be eligible to apply for admission to Hickory RIBN directly from high school OR before completion of at least 26 hours of transferable program college credit, a student must have an **unweighted cumulative grade point average (GPA) of 3.0 on a 4.0 scale** in high school courses.
- To be eligible to apply for admission to Hickory RIBN after completion of at least 26 hours of transferable program college credit after graduating high school, please see Part 2 (page 5) of this document

6. Completion of Minimum Course Requirements

Students must have earned a high school diploma or its equivalent and satisfy the following minimum course requirements: four units of English, two units of a language other than English, one unit of American History, three units of mathematics, one unit of a laboratory science (other than Chemistry), and one unit of Chemistry

7. TEST OPTIONAL official SAT or ACT scores

Students can submit *either* **official SAT OR ACT** scores to Lenoir-Rhyne University. Students may request these scores be sent by visiting the CollegeBoard (SAT) or ACTStudent website. Scores are valid for five years from the test date. A student only has to submit the SAT or ACT, but if a student chooses to submit both, the highest scores will be taken from each subject (Wilkes does NOT require SAT/ACT scores). While there are no minimum scores required, preference will be given to applicants with the following scores:

SAT		ACT	
Math	530	Math	22
Reading & Writing	480	English	18
		<u>or</u> Reading	22

8. Prove College Readiness

Applicant must be eligible to enroll in ENG 111 and MAT 143 without a co-requisite

Please follow the link below for more details regarding exemption options, testing policy, scheduling a testing appointment, and study materials: www.wilkescc.edu/placementtesting. Applicants requiring special testing accommodations due to a disability must contact the Disability Services Office at (336) 838-6560 **at least 10 working days prior to testing**.

For RIBN, students may only take one placement test per academic year. Test scores are valid for five years

9. **Submission of Test of Essential Academic Skills (TEAS) Score of at least 63**

To be considered for admission, a student must achieve a minimum of 63 on the TEAS. Students can take the test at either Wilkes or LRU.

- In order to register for the TEAS at Wilkes, contact Callie McCraw at cnmccraw850@wilkescc.edu after confirming eligibility with Margaret Shreitah. The TEAS will only be offered at Wilkes on specific dates in January 2022.
- In order to register for the TEAS at LRU, email RIBN@lr.edu for a list of dates/times to schedule

Note: Students should ONLY take the TEAS test if they meet ALL other criteria for admission. The student will be responsible for all costs associated with the TEAS. The cost is determined by individual institutions.

Students receive test scores at the end of the TEAS testing session. Students can either print or download their score report for free by logging into their ATI account. **If not taken at LRU, score reports should be sent to Margaret Shreitah via email at Margaret.Shreitah@lr.edu or postal: Margaret Shreitah, LR Box 7292, Hickory, NC 28603.**

10. **Submission of Student Disclosure/FERPA Form**

FERPA affords students (or their parents in the case of students who are legal minors) certain rights with respect to their education records. Students may choose to complete and submit this form allowing the release of their education records to the third parties specified by the student. This form will allow Wilkes and LRU the option to transfer related files regarding the student. **This form will be signed during the mandatory information session.**

11. **Successful Completion of a MAR Review**

If the applicant is admitted in the RIBN program he/she must complete a final MAR review in May once the spring 2023 semester is complete. See next page for additional information regarding the MAR Review.

Deadline to apply and have all supplemental items submitted: March 1st, 2022

Questions? Contact Margaret Shreitah at 828-328-7213 or Margaret.Shreitah@lr.edu.

RANKING/SELECTION PROCESS (For Traditional Applicants)

After meeting all minimum admission requirements set forth above, applicants will receive points and be ranked numerically based on the following criteria:

- GPA (*weighted as 50% of the score*)
- TEAS (Test of Essential Academic Skills) Exam score (*weighted as 50% of the score*)

Only students with completed applications and supplemental items will receive decision letters. Notification will be sent by postal mail. **If a student is accepted into the Hickory Collaborative RIBN and intends to enroll, a \$35 application fee and a \$50 enrollment deposit will be due to LRU. Any additional fees are determined by Wilkes and are subject to change.**

ACCEPTED STUDENTS

Students accepted into the traditional four-year RIBN program must meet the following requirements prior to starting nursing courses (year two):

1. Certified Nurse Aid I (CNA)

Applicants may apply without having CNA certification. However applicants, once accepted, must provide to the Wilkes Department of Nursing proof of a North Carolina Certified Nurse Aide 1 certification by July 18th, 2023 and be currently listed on the North Carolina Nurse Aide 1 Registry with no substantiated finding of resident abuse, resident neglect or misappropriation of resident property in a Nursing Facility. The North Carolina Certified Nurse Aide 1 Training Program must include theory, lab, and clinical components. If an applicant has taken the Certified Nurse Aide 1 Program in a state other than North Carolina, this will be considered on an individual basis.

2. CPR Certified

Applicants may apply to the program without having current CPR certification. However, once accepted to the program, must provide proof of current Healthcare Provider CPR (American Heart Association Basic Life Support) certification by May 15th, 2023.

3. Final MAR Review

Wilkes Health Sciences Admissions Advisor, will contact the student to schedule his/her MAR review upon the completion of the spring 2023 semester. At this point, the student must have met the following requirements during his/her first year in the RIBN program to continue on to year two:

• **Completion of the following courses with a 'C' or better:**

- One year/credit of a high school biology or BIO 110 or BIO 111 & BIO 112
- CHM 130 & CHM 130A or CHM 151 & CHM 152

• **Minimum 2.8 program GPA-** The GPA will be calculated upon completion of the spring 2022 semester. When considering high school and college courses, the most recent grade (if a course has been repeated) will be counted in the point system calculation. See below for details regarding how GPA is calculated.

- GPA is determined by grade points. Grade points are tallied and divided by the total number of courses completed.
- Grade points are awarded based upon the following scale: [A= 4 grade points] [B= 3 grade points] [C= 2 grade points] [D= 1 grade point] [F= 0 grade points]
- The following required courses will be assigned grade points to determine program GPA:
 - High school biology or BIO 110 or BIO 111 & BIO 112
 - CHM 130 & CHM 130A or CHM 151 & CHM 152
- If completed by the time of MAR review, the following general education courses in the WCC Nursing curriculum will **also** be assigned grade points to go toward determining program GPA:
 - BIO 165/168 – Anatomy & Physiology I (*within 5 years*)
 - BIO 166/169 – Anatomy & Physiology II (*within 5 years*)
 - ENG 111 – Writing and Inquiry
 - ENG 112 – Writing/Research in the Disc
 - PSY 150 – General Psychology
 - PSY 241 – Developmental Psychology
 - PSY 281 – Abnormal Psychology
 - COM 231 – Public Speaking or COM 120 – Interpersonal Communication
 - Humanities/Fine Arts Elective (One 3 credit hour course; cannot be a Foreign Language)

Please Note: If an applicant has a "D" or "F" in any course within the general education courses in the WCC Nursing curriculum then the course will count in the point system, but will not fulfill nursing degree requirements.

If an applicant has completed the two required courses for Wilkes in high school or college with a grade of "C" or better, the applicant has met the admission requirement. However, if the student repeats the college equivalent for a particular course within the general education courses and receives a "D" or "F" then the most recent grade will count within the point system.

PART 2: MINIMUM ADMISSION REQUIREMENTS (MAR)-

TRANSFER RIBN STUDENTS (Students with 26 or more transferable hours of college credit)

RIBN's transfer option is a three year track for students with 26 or more transferable program college credits. With this option, students will be dually enrolled their first two years. During these first two years, classes will be taken on Wilkes's campus along with one course per semester online at LRU. Upon successful completion of the first two years, students will take their third year online at LRU provided they pass the NCLEX. Admission requirements and deadlines differ from those of traditional four year RIBN students.

- Acceptance in Wilkes's Associate Degree Nursing program**
In order to be considered for acceptance as a RIBN transfer, students must **first** be accepted in Wilkes's Associate Degree Nursing (ADN) program as outlined on their website: <https://www.wilkescc.edu/academics/health-sciences/associate-degree-nursing/>. **Students should not apply to RIBN until AFTER they have been accepted and have confirmed their spot in Wilkes's ADN program.**
- Submit email of Interest to Student Success Advocate**
Students who have been accepted in Wilkes's ADN program and are interested in RIBN should email Margaret Shreitah, RIBN Student Success Advocate (SSA) at Margaret.Shreitah@lr.edu. At this time, the SSA will evaluate the student's transcript to show the student his/her unique three year schedule so the student can determine if the RIBN route is the best option for him/her. *See Appendix B for traditional four year plan. Transfer plans will vary because they are completing the program in three years.*
- Minimum Grade Point Average of 3.0**
To be eligible to apply for admission to Hickory RIBN after completion of at least 26 hours of college credit (*not including developmental or remedial coursework*), the cumulative GPA of college courses that count towards the BSN must be at least 3.0.
- Completion of RIBN Application for LRU**
Create an account at <https://apply.lr.edu/apply/?sr=3eb45b0c-8be5-45ff-9f02-80aac410ed20>
Select RIBN as your Academic Interest (*Note: The applicant does not have to pay the application fee to apply. Only students admitted and planning to enroll will pay the \$35 application fee.*)
- Submission of Official College Transcript(s)**
Official transcripts from ALL colleges and universities attended (including Wilkes) should be sent to the Lenoir-Rhyne University (see page 7 for address).
- Submission of Student Disclosure/FERPA Form**
FERPA affords students certain rights with respect to their education records. Students may choose to complete and submit this form and allow Wilkes and LRU the option to transfer related files regarding the student. **This form should be sent to Margaret Shreitah via email at Margaret.Shreitah@lr.edu or postal: Margaret Shreitah, LR Box 7292, Hickory, NC 28603. See Appendix A for a copy of this form.**

RANKING/SELECTION PROCESS (For Transfer Applicants)

After meeting all minimum admission requirements set forth above, applicants will receive points and be ranked numerically based on the following criteria:

- Program GPA (*weighted as 50% of the score*)
- TEAS (Test of Essential Academic Skills) Exam score (*weighted as 50% of the score*)

Only students with completed applications and supplemental items will receive decision letters. Notification will be sent by postal mail. **If a student is accepted into the Hickory Collaborative RIBN and intends to enroll, a \$35 application fee and a \$50 enrollment deposit will be due to LRU. Any additional fees are determined by Wilkes and are subject to change.**

Deadline to apply and have all supplemental items submitted: May 1st, 2022

Questions? Contact Margaret Shreitah at 828-328-7213 or Margaret.Shreitah@lr.edu.

PART 3: ADDITIONAL INFORMATION FOR ALL APPLICANTS

1. North Carolina Residency

Preference is given to North Carolina residents. Applicants who (1) have lived outside NC during all of the 12 months immediately preceding the start of the fall semester or (2) are claimed as a dependent by a parent/guardian who is not a NC resident are generally not considered to be NC residents. Applicants will complete the North Carolina Residency Determination Application at www.ncresidency.org or in the CFNC application for admission. Residency status will be determined by the North Carolina residency determination service.

2. United States Citizens

Students who are not citizens of the United States pay out of state tuition in accordance with the State Board of Community Colleges (1D SBCCC 400.2 (b)). In addition, federal law prohibits states from granting professional licenses to undocumented immigrants.

3. Criminal Background Check and Drug Screening

Prior to starting nursing, students will be given directions on completing a Background check/ Drug Screening. Carefully read the information below regarding background checks, drug testing, and the result of a negative background check.

- Clinical facilities will require students to undergo criminal background checks and drug testing.
- The student will be required to pay fees associated with these screenings.
- Clinical facilities may refuse access to clinical experiences based on the criminal background checks and/or drug testing.
- If any clinical facility refuses to allow a student access to a clinical experience, **the student will be unable to continue in the program.**

4. Class Schedule/ Length of the RIBN Program

The traditional four year RIBN program is ten semesters over the course of four years. See Appendix B for the 2022 curriculum guide (subject to change for Fall 2023). The transfer track allows students to complete the program in eight semesters over the course of three years. Schedules will vary for each transfer student depending on previous coursework taken.

5. Program Costs

See Appendix C for a current cost breakdown of the program. Cost will vary for transfers and high school students who come in with previous college credit (dually enrolled while in high school/ middle and early college/ Advanced Placement credit).

6. Financial Aid

While dually enrolled at LRU and Wilkes, students will apply for financial aid at Wilkes. All applicants are encouraged to apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA.ed.gov). For information about financial aid, contact the Office of Scholarships and Financial Aid (336)-838-6144. *Students are not eligible for financial aid at LRU until their last year in the program.*

7. Paying for Courses at LRU

Because students are not eligible for financial aid at LRU while dually enrolled, LRU tuition must be paid out of pocket. Wilkes participates in the federal loan program, so students may also be eligible for Federal Student Loans while dually enrolled.

8. Technology Needs

Coursework requires ready access to a reliable computer with Word, PowerPoint, Excel and internet access. Students are assigned a Wilkes email address. It is the responsibility of the student to open his/her email account and read it frequently as the College provides crucial program information through this email account.

9. Readmission Policy

The following readmission policy applies to students who receive an unsuccessful grade in the nursing program, or who voluntarily withdraw from the program. Unsuccessful grades are defined as "D", "F", or "U".

- If a student receives an unsuccessful grade in the RIBN program, s/he may not proceed to any subsequent course which has the course in question as a prerequisite. S/he must repeat the course in question before proceeding to the next higher course in the program.
- Most RIBN courses are offered only once annually.
- Since a new class of students is admitted to each program annually and because of the competitive nature of the program in question, it will be necessary for students who have received an unsuccessful grade in a major course during their first semester to reapply for readmission to the program for the following fall.
- Readmission of students who have progressed beyond the first semester, but who have been unsuccessful in a subsequent semester, is dependent upon space availability in the class, demonstration of proficiency in a variety of clinical procedures, and other issues pertinent to reentering students. You will be required to meet with the Nursing Directors/Department Head/Chair for specific readmission guidelines.

Total	12	12	6
<p>* FYE 191 and FYE 192 are seated courses at LRU. All other LRU courses will be offered online.</p> <p>* Students with 26 or more transferable college credit hours will be required to take LRU 100, 101 , or 102 instead of FYE 191 and 192.</p> <p>* There are no courses equivalent to FYE 191/192 and LRU 100/101/102 at the community college. Therefore, these courses will not count toward total course load.</p> <p>> In order to remain dually enrolled, non-NUR designated courses from the final year can be taken earlier if needed, but will not count toward total course load.</p> <p>^ Students must complete capstone in either NAT 388, HSB 388, or HUM 388.</p>			

Apply for Financial Aid at Wilkes (indicate Wilkes on FAFSA)

Apply for FA at LRU

APPENDIX C

Estimated Cost Breakdown (based on 2021-2022 Rates)

Wilkes Tuition= \$76/credit hour (subject to change without notice by NC Legislative)

LRU Adult Learners Tuition Rate= \$670/credit hour (subject to change from year to year)

	Wilkes	LRU	Total
Year 1			
Fall	14 (76)= 1064	3 (670)= 2010	3074
Spring	12 (76)= 912	3 (670)= 2010	2922
Summer	6 (76)= 456	0	456
Year 2			
Fall	11 (76)= 836	3 (670)= 2010	2846
Spring	13 (76)= 988	3 (670)= 2010	2998
Summer	8 (76)= 608	0	608
Year 3			
Fall	13 (76)= 988	3 (670)= 2010	2998
Spring	13 (76)= 988	3 (670)= 2010	2998
Year 4			
Fall	n/a	12 (670)= 8040	8040
Spring	n/a	12 (670)= 8040	8040
Summer	n/a	6 (670)= 4020	4020
			\$ 39,000.00

The above does not include activity fee, campus access fee, or technology fee.

Other estimated fees students can expect include:

- LRU 050 Proficiency Test at LRU= \$25
- CNA Course (if not already certified)= \$200-\$300
- National Council Licensure Examination (NCLEX)= \$350-\$500
- Books= \$2000+
- Scrubs/ Stethoscope/ Other Required Nursing Material= \$200
