

Bobcat Adventures

After-School Program

Fall 2021 - COVID-19 Plan

IMPORTANT: PRE-REGISTRATION IS REQUIRED

Drop-in Program is currently not available.

Bobcat Adventures is our after-school program, operating daily from 3:00pm - 6:00pm. We provide a safe, nurturing, and fun place for your child to be while you finish your workday. The safety and well-being of your child is our highest priority. Our after-school program will provide a quiet place for homework, arts and crafts for your child to participate in, as well as physical activities, including indoor and outdoor games.

Since we are operating during this pandemic, our operations will be modified due to the health and safety protocols required. As we start the school year, and reopen an after-school program for the first time in nearly 18 months, our priority this year will be to support families who rely on after-school care on campus due to their working needs. Enrollment in our after-school program will be limited for the time being.

Program Schedule

Time	Activity
3:00-3:15pm	School Dismissal and Program Check-in
3:30- 4:15pm	Homework room or outside play, depending on grade level
4:15-4:30pm	Snack time – be sure to notify BCA staff if your child has special dietary requirements or restrictions
4:30- 5:15pm	Arts & crafts/ group activities
5:15 – 5:40pm	Free time (Supervised)
5:40 – 6:00pm	Clean up and get ready to go home

Tutoring and Enrichment Classes: Although we usually offer tutoring and enrichment classes as part of our afterschool program, due to COVID-19 we are putting these classes on hiatus for the start of the school year. We plan to offer these services and classes as soon as we feel it is safe to do so as they often require mixing of multiple grade levels.
