Payment of Benefits

Benefits are payable for a Covered Person's Positive Diagnosis of a Cancer or Specified Disease that begins after the Certificate Effective Date and while this Certificate has remained in force.

Pre-Existing Condition Limitation

During the first 12 months of a Covered Person's insurance, losses incurred for Pre-Existing Conditions are not covered. During the first 12 months following the date a Covered Person makes a change in coverage that increases his or her benefits, the increase will not be paid for Pre-Existing Conditions. After this 12 month period, however, benefits for such conditions will be payable unless specifically excluded from coverage. This 12 month period is measured from the Certificate Effective Date for each Covered Person.

Pre-Existing Condition means Cancer or a Specified Disease, for which a Covered Person has received medical consultation, treatment, care, services, or for which diagnostic test(s) have been recommended or for which medication has been prescribed during the 12 months immediately preceding the Certificate Effective Date of coverage for each Covered Person.

The Policy pays benefits only for diagnoses resulting from Cancer or Specified Diseases, as defined in the Policy. It does not cover:

1. any other disease or sickness;
2. injuries;
3. any disease, condition, or incapacity that has been caused, complicated, worsened, or affected by:
 - a. Specified Disease or Specified Disease treatment; or

3. the date the Policy is amended to terminate the eligibility of the Employee class.
4. any premium due date, if premium remains unpaid by the end of the grace period.
5. the premium due date coinciding with or next following the date the Covered Person ceases to be a member of an eligible class.

On the date the Policy terminates or the date the Named Insured ceases to be a member of an eligible class, Named Insureds and their covered dependents will be eligible to exercise the portability privilege. Portability coverage may continue beyond the termination date of the Policy, subject to the timely payment of premiums. Portability coverage will be effective on the day after insurance under the Policy terminates.

The benefits, terms and conditions of the portability coverage will be the same as those provided under the Policy when the insurance terminated. The initial portability premium rate is the rate in effect under the Policy for active employees who have the same coverage. The premium rate for portability coverage may change for the class of Covered Persons on portability on any premium due date.

Covered Person means any of the following:

- a. the Named Insured; or
