Unit 7, Week 1

**Directions:** Read the passage. Then answer the questions about the passage.

## My Grandmother

Long ago, my grandmother was young like me. She loved to ride her bike. She jumped rope and played games with her friends. Just like me, she went to school and did homework.

Now, Grandmother is much older. She doesn't do the same things she did when she was a child. She reads a lot. She writes letters to friends. Sometimes she plays games with me on a computer. She may not jump rope anymore, but she always has hugs for me.
