ACT PREP CLASSES

2021-2022

Layton High School is proud to provide quality and affordable ACT prep classes to all high school students interested in gaining extra practice under the guidance of certified and trained educators. These classes will improve overall ACT test scores and better prepare students for admission into the college of their choice. Each session will give students 12 hours of detailed instruction in math, English, reading, and science reasoning, two hours of specific ACT testing strategies, a chance to take an ACT practice test under timed conditions, and scoring feedback from the test proctor.

COST

Each session costs \$75.00 plus \$25.00 for a copy of *Barron's ACT Premium Study Guide* the textbook used in the class. This book is mandatory for the class as it will be used not only for instruction but for practice as well.
