

Celebration Book Club

Recognizing important people and events all year long!

Gladwyne School has a way to honor special people and events AND to help a great cause: the *Celebration Book Club*! This program allows you to donate a book to the library while honoring a special person in your life.

The *Celebration Book Club* has added hundreds of new books to the Gladwyne School Library. As a parent or caregiver, you can join our effort by either dedicating a book for your child's birthday or by honoring a special person such as a teacher at any time.

With a donation of \$15 via check, your child (with the assistance of Mrs. Mastronardo or Mrs. Schwartz) will select a brand new book as a permanent addition to the Gladwyne School library. Your child's book will have a personal dedication sticker placed inside the cover.

The children look forward to their special time in the library choosing a book and then being the very first student to check the book out. They also take pride in knowing that this special book will be read and enjoyed for years to come!

Sincerely,
The Gladwyne School HSA

Please Enclose:

\$15 per book via check
(payable to Gladwyne
School HSA).
No cash please.

Return Form:

To Mrs. Mastronardo,
Librarian
