

**POMPERAUG REGIONAL SCHOOL DISTRICT 15
NOTICE TO VENDORS AND CONTRACTORS**

August 2021

Asbestos-Containing Building Material (ACBM) is known to exist in facilities owned and/or operated by Regional School District 15. The location of this ACBM is identified in an Asbestos Management Plan that has been prepared for each facility in the district. Copies of the Asbestos Management Plans are located in the administrative office of each facility and in the Superintendent's office at 286 Whittemore Road, Middlebury, Connecticut.

Vendors and contractors shall not perform any work in any portion of a building owned and/or operated by this school district without first determining whether the work will disturb ACBM. This determination can be made by reviewing the information in the Asbestos Management Plan or by contacting Mr. Robert Dionne at (203) 758-2470.

Special permission is required for activities that may disturb ACBM. If your work will disturb ACBM, or if you are not certain whether your work will disturb ACBM, contact Mr. Dionne before starting work.
