

## Our Vision:

Our vision at Pine Valley Elementary School is to ensure that every student reaches the ambitious goals they have set for themselves in order to send our students into the future prepared to positively contribute in all walks of life.

## Our Mission:

Our mission at Pine Valley Elementary is to empower and grow our students by providing a nurturing and safe environment, ensuring that students receive foundational skills and rigorous instruction while building students' social, emotional and physical well-being. To achieve our mission we will encourage the partnership and cooperation of our teachers and staff with that of our parents, families and community.
