VCS Facility Preparations - 2021 - 2022

VCS is dedicated to following CDC guidelines to provide clean and safe facilities for our students and employees.

1.

Masks Required

All students and adults will wear facial masks when indoors on campus, however, facial masks are optional in outdoor settings but encouraged.

2.

COVID Symptom Surveys Implemented

VCS will continue to require the daily use of our health screening app” Meet Darcy.”

3.

Medical Grade Air Filters

VCS has installed MERV13 filters on all HVAC units and HEPA air purifiers in all classrooms.

4.

Hand Sanitizing Dispensers

VCS has installed hand sanitizers outside of each classroom and additional spaces throughout the campuses. VCS has also posted hand washing reminder signs in each restroom.

5.

Plexiglass Shields

VCS has installed plexiglass shields at select teacher stations and all public facing admin offices.

6.

Signage

VCS has posted “Face Covering Required” signage at all building entrances and at various locations around the campuses.

7.

Custodial Touch Up Through the Day

Custodial checking and cleaning all restrooms and high touch areas at building entrances 2-3 times per day while classes are in session.

8.

Cleaning & Fogging All Classrooms

All surfaces are disinfected nightly and fogging is performed weekly.

9.

Buses & Vans Cleaning

Vans are cleaned after each use and buses are cleaned daily by First Student.

10.
