Academic Information

FULL TIME STUDENT STATUS: All students must be enrolled in a minimum of six of seven classes. Students may only have one study hall per semester.

GRADUATION REQUIREMENTS

Graduating from high school is an important milestone, a “rite of passage” which marks the successful beginning of adulthood. The young graduate is viewed as a person who has achieved an important goal and is therefore ready to accept new challenges—job training, college, career, marriage, family, home, financial obligations and other adult responsibilities. A diploma is a “key” which unlocks the door to many new opportunities and is the foundation upon which the graduate can build a solid future.

In order to graduate from Faribault High School, a student must earn the following credits:

Required courses: See FHS Registration Guide for requirements for required courses.

English	4.0 credits
Social Studies	3.5 credits
Math	3.0 credits
Science	3.0 credits
Health	0.5 credits
Physical Ed.	1.0 credits
Electives	7.0 credits

Total Required **15.0 credits**

Total Electives **7.0/8.0 credits** (One more required for classes of 2023 & 2024)

Total Needed to Graduate **22.0/23.0 credits** (One more required for classes of 2023 & 2024)

FHS ACADEMIC HONOR REQUIREMENTS

“A” Honor Roll (quarterly)**Need GPA between 3.50 and 4.00.

“B” Honor Roll (quarterly)**Need GPA between 3.00 and 3.499.

****A student must have 5 gradable classes at FHS to be eligible for Honor Roll.**

ACADEMIC HONOR STUDENTS

Valedictorian: Highest grade point average for a minimum of seven semesters of coursework.

Salutatorian: Second highest grade point average for a minimum of seven semesters of coursework. (Provided there is no tie for valedictorian)

Honor Graduate: (Gold Cord) A student needs to achieve a cumulative GPA of 3.50 or above for the school year for the first seven semesters of the student's academic career to earn the honor of wearing a gold cord at graduation. To determine eligibility for gold cord status, a student's cumulative GPA will NOT be rounded to the nearest tenth (i.e., 3.499 will not qualify).

***In order to qualify for valedictorian/salutatorian and/or honor student status, the student must attend full-time at Faribault High School for his/her entire senior year. Senior transfer students who are enrolled prior to graduation, meet all necessary graduation requirements, and earn all appropriate credits will be given a diploma from Faribault High School.**

A student must have 5 gradable classes each semester during the first seven semesters to be eligible for Honor status. Any course taken on a pass/no credit basis, will not qualify as a gradable class. The only exception would be a foreign exchange experience, which would have multiple "Pass" credits.

TRANSFER STUDENTS

Students who transfer into the Faribault School District during their senior year must meet the following criteria in order to receive a diploma.

1. The student must attend for at least one full semester of their senior year as a fulltime student before graduation.
2. The student must meet all diploma requirements of the Faribault School District. Transfer students who meet diploma requirements will qualify for all academic honors provided by the district. In order to qualify for valedictorian/salutatorian honors the student must attend full-time at the Faribault High School for their entire senior year.

Students who transfer into the Faribault High School during the last semester of their senior year will have their grades recorded on an official transcript that will be forwarded to their previous school. These students will not receive a Faribault diploma but may elect to return to their previous school to participate in their commencement ceremonies. Student who transfer from Faribault High School in their last semester of their graduation year will be allowed to transfer back credits earned at their current school and participate in the commencement ceremonies from Faribault High School.

PARKING LOT & PERMIT INFORMATION

There are limited spaces for student parking. Please be aware of the following informational items in regard to parking for the school year:

1. All students who would like to use the parking lot will be assessed a **\$50.00 per semester non-refundable fee**. Students will need to present their valid driver's license, two forms of paperwork and the \$50.00 fee to receive their permit. This permit MUST be attached to the windshield and visible at all times while parked in the school parking lot.
2. We WILL NOT be selling permits during the first few days of school. Students WILL NOT be allowed to park in the lot without a permit so please pick up a form in the main office prior to August 25 and purchase your permit as follows: Seniors will need to report to the office window on August 25 between 8:00 a.m.-10:00 a.m. to register for their 1st semester permit. All other students needing a parking permit will need to report to the office during Open House on August 25th starting at 4:00 p.m. to register for their permit. You must know the license plate numbers of your cars, especially if you might be using several different cars, depending on your family situation. You will be required to fill out a permit form and it must be filled out completely and signed by a parent or your permit will not be issued. You will need to know your parent's work and home telephone numbers. You must possess a valid MN driver's license and have it with you in order to receive a permit. You will need to have \$50.00 in cash or check (payable to Faribault High School) to receive your permit. Permits must be picked up in person only.
3. Parking permits are limited and are sold on a first come/first served basis. Sale of parking permits will cease when the parking lot limit is reached.
4. Students and staff will be assigned to separate parking areas. Students will park in the large east lot only. The lot near the tennis courts are for staff only and student cars may be towed if they restrict staff access.
5. **Driving in the parking lot at a reasonable speed and in a safe manner is required. If the police liaison officer, parking attendant, school staff, or other community member witnesses reckless driving, your permit could be revoked immediately as determined by the school administration.**
6. The cost to replace a lost permit is \$10.00
7. Loss of parking privileges without refund is a potential consequence for failing to adhere to school rules and policies unrelated to driving and/or parking. Loss of parking privileges without refund is also a potential consequence for students who leave campus during class or lunch/homeroom (grades 9-11).
8. By parking a vehicle on school property, it becomes subject to search upon reasonable suspicion by school officials without the owner's consent, without a search warrant, and with no notice to the owner. This includes the glove compartment, trunk, and any locked containers within the vehicle.
9. Faribault Public Schools accepts NO responsibility for loss of personal property or damage to your car. Keep your car locked and do not leave valuables in it.
10. Unauthorized parking will result in a warning (1st offense), detention and meeting with school administration (2nd offense), and the vehicle being towed at the owner's expense (3rd offense).

General Athletics/Activities Information

Participation in extracurricular activities is a voluntary activity. It is a privilege to participate in these activities and, therefore, there is a higher standard of behavior for those students who choose to participate. It is hoped that students develop healthy habits, learn important life lessons, and develop a commitment to their activities both physically and mentally. These activities (which include DECA, Math Team, Science Team, Clay Target Team, Robotics, Student Council, and Fine Arts) are an integral and valuable part of a student's educational experience.

There are many positive outcomes that can be gained through participation in various activities. Students are encouraged to develop appropriate sportsmanship, self-discipline, respect for other participants, and positive character. This activity expectation should help teach student participants that there are important consequences for personal actions and rule violations.

Students are expected to follow the activities academic eligibility procedure.

Students are expected to follow the Faribault Public Schools code of conduct.

Disciplinary Action

Faribault High School Activities Code of Conduct Policy

Participation in the MSHSL and Faribault Activities programs is a privilege, not a right. Along with the privilege of participating in the programs, comes the responsibility to abide by behavior expectations, and to conduct oneself appropriately as a representative of yourself and your activity. As a member of Faribault High School and the Faribault community, you are expected to abide by all school rules, MSHSL rules, and local and state laws. More specifically, you are to:

1. Respect the rights and beliefs of others and treat others with courtesy and consideration.

2. Be fully responsible for your own actions and the consequences of those actions.
3. Respect the property of others.
4. Respect and obey the rules of your school and the laws of your community, state, and country.
5. Show respect to those who are responsible for enforcing the rules of your school and the laws of your community, state, and country.

Examples of Violations of this Code include, but are not limited to: violations of the FHS student discipline policy that results in a school suspension, insubordination, theft, cheating, unsportsmanlike conduct, or serious or repeated offenses, hosting a gathering where illegal, mood-altering chemicals are present or being used, or Racial/Sexual Harassment and Hazing violations not covered under MSHSL rules.

Consequences: Consequences for violations of this Code include, but are not limited to the following or a combination of the following:

1. Conference with coach and/or Activities Director, Principal, or Asst. Principal, and parents.
2. Suspension from a sport or activity for one or more games/events/performances.
3. Suspension from a sport or activity for one or more calendar weeks.
4. Permanent suspension from a sport or activity.
5. Coaches and advisors, with prior approval of the Activities Director, may establish discipline/behavior expectations which may be more stringent. These must be on file in the Activities Office and they must be shared with athletes and parents before the season begins.
6. The level of consequences will be determined by the seriousness of the offense and the offender's past record.

Student-Athlete Suspensions

Coaches and advisors may not suspend student-athletes without approval from the Activities Director and School Administration. Coaches looking to suspend a student-athlete for any period of time must meet with the Activities Director and provide written documentation of the important details of the situation.

Academic Procedure

MSHSL Participation Beliefs.

Academic priorities must come before participation in athletic or fine arts activities.

FPS Participation Beliefs.

School activities are of secondary importance in relation to the formal instruction program; however, they complement the instructional program in providing students with additional opportunities for growth and development.

Academic Probation.

Students assigned to academic probation are not excelling academically and are in jeopardy of not meeting graduation requirements. Students on academic probation will be required to submit a grade report weekly to the Activities Director signed by all of their teachers indicating passing grades and turned in assignments. With passing grades and submitted assignments, students on academic probation will gain athletic/activity eligibility for a one (1) week period. Students who are failing classes or have missing assignments will become ineligible in athletics/activities for a one (1) week period. At any time, students may submit another grade report to gain eligibility immediately.

- High School students may make up interscholastic ineligibility by successfully completing district approved summer school for the course in which they failed to make up credit deficiencies.
- All ineligibilities begin on the day grades for the marking period are posted (quarter & semester).

From The Minnesota State High School League: RESPONSIBILITY FOR SPECTATOR CONDUCT

In order to elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, member schools, fans and school personnel, the MSHSL held a Sportsmanship Summit and asked student participants to identify behavior expectations they felt should be in place at every school event.

These minimum behavior expectations provide a foundation upon which member schools, conferences, administrative regions and the League's Board of Directors can build specific guidelines for activities under their control.

MSHSL Bylaw 409, RESPONSIBILITY FOR PARTICIPATING TEAMS, STUDENTS AND SPECTATORS, speaks to this issue, directly, and Bylaw 409-2 specifically states that, "School officials shall be held responsible for the proper conduct of teams, team members, students and home spectators regardless of where the contest is being held."

In all MSHSL activities, each participating school shall designate a person or persons from that school to serve as crowd control supervisors or chaperones. MSHSL tournament staff may require school administrators to contact the tournament manager prior to the start of the tournament game so that they can be immediately contacted to respond to behavioral issues regarding their team members, students and/or spectators at the tournament site. Each supervisor or chaperone should be immediately identifiable to the students and to the tournament site ushers and other security personnel. This will help to coordinate crowd control between school supervisors and tournament site personnel.

MSHSL MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POSTSEASON TOURNAMENT COMPETITIONS

- Respect the American flag and the National Anthem.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the arena/stadium if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, booing, trash talk, name calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school and/or tournament administrators.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand held signs, which do not obstruct the view of others, will be permitted provided they are in good taste. Signs, message boards, “white” boards or other similar items contest/tournament officials deem to be in poor taste will be removed. Signs on sticks, balloons, or any other type of artificial, celebratory items are not permitted.
- Artificial noisemakers (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed. Laser lights are strictly prohibited.
- THANK YOU for supporting your student athletes and fine arts participants and for providing a positive environment in which educational activities are conducted.

Faribault School District/Faribault High **School Attendance Policies**

(Complete Policy Statements are available on School District 656 website)

Operating Procedures to Support Faribault School District

Attendance Policies (Adopted May 13, 2013)

I. Attendance Policy

The staff at Faribault High School believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunity for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. Because learning is inevitably lost when a student fails to attend class, this policy is intended to be positive and not punitive.

Unexcused absences will result in the following interventions:

1. Following each unexcused absence, parents/guardians will be notified via phone.
2. Following three (3) unexcused absences from any one class during one semester, parents/guardians will receive a letter in the mail describing the pattern, listing potential consequences, and offering support for improvement.
3. Following seven (7) unexcused absences from a class during one semester, parents/guardians and students will receive a letter and potentially meet with a school administrator to discuss consequences for habitual truancy and ideas to improve future attendance.
4. Students who are considered habitually truant, will be placed on an “Attendance Contract” in partnership with school personnel, and parents/guardians.
5. Students who fail to meet the expectations laid out in an existing attendance contract will be referred to the Rice County Student Attendance Review Board and potentially be charged with Truancy in the Rice County Juvenile Court System.

II. MAKE-UP POLICY

A. Excused and Unexcused Absences

Students who miss work (including assignments, labs, and exams) as a result of an excused absence will have an opportunity to make up the work and receive credit. Failure to make up work will result in no credit being given for that work. Make up work can be turned into the instructor up to the assessment that measures the learning that assignment was meant to impart for full credit. Each teacher will have the authority to extend this deadline at their discretion. Exceptions to this rule may be granted if a student has missed more than ten consecutive school days because of an injury or illness or other condition beyond the student’s control.

B. Extra Credit Assignments

Extra credit will not be offered to any student in any class. Students wishing to improve their grade should talk to their teacher about completing missing work, re-doing assignments that are tied to essential learning, and/or re-taking assessments or exams.

III. NOTIFICATION

Every student will be given a copy of this attendance policy at the start of the school year. In addition, each teacher will review this policy with their students at the start of each quarter. A copy can also be found on the high school webpage. Unverified absences and tardy notification will be made daily to parents through the school's automated dialer system. The report card will notify students and their parents of the number of unexcused absences accumulated at the end of each quarter. Students and parents are entitled to appeal attendance issues. A copy of this policy will be included in the Student/Parent Handbook and is available from the principal's office upon request.

IV. ATTENDANCE RECORDS

Every classroom teacher will maintain attendance records in which all classroom absences and unexcused tardies are recorded.

V. ABSENCE REPORTING AND CRITERIA

A doctor's note may be required for absences due to illness that exceed four (4) consecutive days or seven (7) cumulative days in a quarter. With the exception of students who are emancipated from their parents, all students must provide the building principal with a note, which is signed by the student's parent/guardian, or personal telephone call, which states a valid reason for the absence. **An emancipated student is one who does not live with and also is not economically dependent upon his or her parent, guardian, family member or other adult.** An emancipated student must also provide the building principal with a note stating a valid reason for the absence but may sign the note himself or herself. **If a student fails to provide the principal with such a note before or upon the student's return to school or within the next two school days, the absence will be counted as unexcused.** An absence will be excused if the student provides a timely notification (within two school days) which is signed or verified by a parent/guardian and states that the absence is/was a result of School Board Policy and FHS Procedures.

Suspension Absence from class as a result of an in-school or out-of-school suspension is counted as excused.

Unexcused Absence Any absence, which is not excused under this policy, will be counted as unexcused.

Examples include:

1. Leaving school without permission.
2. Any absence that does not meet the criteria specified in an excused absence.

Examples of situations that would be unexcused include oversleeping, a malfunctioning alarm clock, problems with a car, missing the bus, shopping, visiting friends, or an appointment at a tanning booth.

Excused Tardies If a student is tardy to class but has a written note from a teacher, counselor, nurse, school psychologist, or school administrator, the tardy will be excused. If a student arrives to school late and has a valid excuse signed by a parent, a school administrator will provide the student with a written

note excusing the tardy. An excuse signed by a parent will be deemed valid if it states that one caused the student's tardiness or more of the conditions listed above, which give rise to an excused absence.

Unexcused Tardies Any tardy which is not excused under this policy will result in detention.

False Excuses Any student who submits a false excuse or forges the signature of a parent/guardian or school personnel on an excuse will be suspended from school.

Extended Absences

1. Parents should be aware that according to Minnesota State Law, a student who is absent for fifteen (15) consecutive days must be withdrawn and must formally re enroll to be admitted to school.
2. No credit is earned during the time a student is not enrolled.
3. Students under 17 years of age that have any combination of 7 unexcused absences may result in a Truancy Petition being filed with the Student Attendance Review Board (SARB) of the Rice County District Court, Juvenile Court Division.
4. If the student has suffered an extended illness and required work has not been completed, the class record will show an incomplete. A grade will be assigned after the work is completed according to the make-up policy guidelines.
5. If a student experiences an extended, long-term illness, they might be eligible for homebound instruction. Parents should contact the counseling department or the Principal to make these arrangements.

Student Procedures/Health Information

Faribault Public Schools Plan for Safe Return to In-Person Learning

The health office is open from 7:30 a.m. – 3:30 p.m. on school days. The building nurse can be reached at 333-6286.

Parents have the primary responsibility for their children's health. The building nurse does not medically diagnose or prescribe. Parents who are in doubt as to the condition of their child should consult a physician. The school nurse should be informed of any health conditions the student may have and may request further documentation for the student's health file.

WHEN TO STAY HOME

Students should stay home and will be asked to go home if any of the symptoms below are present.

- A fever over 100 degrees (stay home 24 hours after temperature is back to normal)
- Vomiting or diarrhea (stay home 24 hours after last episode)

- Any undiagnosed rash
- Conjunctivitis-pink eye (return to school 24 hours after medication started or no drainage)
- Strep throat (return to school 24 hours after antibiotics are started)
- Any undiagnosed draining wounds

Parents must inform the school within 24 hours if their child has an infectious disease.

These may include but are not limited to: head lice, ringworm, scabies, impetigo, chicken pox, and pink eye.

LEAVING SCHOOL

All students, regardless of age, who become ill during the school day, are required to check out with the nurse's office prior to leaving the building. Check out must include contact between school officials and parents/guardians **prior to leaving** the building. Failure to properly check out with the nurse's office or main office will cause the student to be unexcused.

PHYSICAL ACTIVITY RESTRICTION

The school nurse may excuse a student one time from physical activity due to illness or injury. If a student requires longer or further restrictions from a class the nurse may require a doctor's note determining duration and specific restrictions.

MEDICATIONS AT SCHOOL

All medication must be administered through the school health office. Tylenol and ibuprofen can be administered by the school nurse, with written parental authorization, up to a maximum of 5 times a month. **Students** will need to have their own supply in the health office. All other medications require Doctor's authorization and signed by a guardian. **The school district does not supply Acetaminophen (Tylenol) and Ibuprofen (Advil).**

All other medications that are administered by school personnel must be:

1. Accompanied by a physician order. The physician order will state medication, dosage, time, duration, and medical reason for medication, other medications this student is taking and side effects of medications.
2. Administered only if the parent has signed a medication authorization form.
3. In the original container marked with the student's name, medication name, dosage, times to be given, and route of administration.
4. The controlled substance medication will be brought to the school and picked up at the school by an adult. Please see school board policy 516 for more information.

***To examine the entire Student Medication policy please visit the district website, click on “District”, “School Board”, “School Board Policies”, and then “Policy 516 – Student Medication”.**

SELF ADMINISTRATION OF EMERGENCY MEDICATIONS

Inhalers and EPIPEN’s may be carried by a student at the high school level if the proper forms have been completed, are on file in the health office and the building nurse has determined the student is able to administer them safely. The building nurse or administration has the right to remove self-administration for any student at their discretion.

ALLERGIES

Parents of a student with a life-threatening allergy must provide the school with documentation from a licensed healthcare provider. This information should include the specific allergy and medical requirements needed for the student.

HEALTH CONDITIONS

Notification of Health Conditions is the parent's responsibility at the beginning of each school year and throughout the school year to inform the child's teacher, building nurse or principal if there are medical conditions that require special measures such as dietary or activity restrictions at school for the student.

DISPOSAL OF UNUSED MEDICATION

All unused, discontinued, or expired medication will be disposed of after 2:30 pm on the last day of school if a parent/guardian has not picked it up.

LATEX FREE

Faribault Public Schools are latex free environments. Please do not bring any latex containing products into any of the buildings. Only Mylar balloons are allowed inside the school buildings.

IMMUNIZATIONS

Minnesota Law requires that all students be up to date on their immunizations or have an **exemption** on file in the health office. The school nurse will send home requests for student immunization records as needed. If the student does not meet this requirement, they may be held out of school per the district immunization policy.

***If your child has a health or medical condition that could potentially cause a life-threatening emergency while being transported by school bus, it is the parent’s responsibility to notify the Faribault Transportation Company at 507-333-6001 or 507-334-5121.**

School Policies

Will anyone be embarrassed or hurt by it?

Am I proud of what I'm posting?

Faribault Public Schools **Personal Mobile Device Guidelines**

Students using personal mobile devices on the Faribault Public Schools network are still subject to the District's Acceptable Use Policy (AUP). Violation of this policy may result in disciplinary action and/or loss of privileges.

Faribault Public Schools recognizes that using digital technologies can enhance student learning experiences and facilitate the development of 21st century skills. This is why all students have access to a school issued personal device (i.e. iPads). Faribault Public Schools also wishes to promote digital wellness and positive digital citizenship for every student. While students are allowed to bring personal mobile devices (i.e. cell phones) with them to school, Faribault High School DOES NOT allow students to use these devices in academic spaces or have them outside their backpacks while in the classroom. Our goal is to utilize the school issued personal devices to enhance student digital learning and to empower students to take a more active approach to their personal learning while, at the same time, eliminate distractions to learning. Students who choose to bring a personal device must only use it during passing time or other non-academic time, and follow the Acceptable Use Policy and the Mobile Device Guidelines at all times.

It is the responsibility of each student to know and adhere to this policy regarding personal devices. The classroom teacher and school administration shall exercise authority to enforce this policy. Staff will have the final decision if a device needs to be surrendered due to misuse. All students in grade 9-12 will be enrolled in our 1:1 FLITE plan and will be issued a school owned device to use in the classroom. Educators shall make clear this schoolwide policy in their classrooms verbally and through a class syllabus.

Staff Guidelines

Faribault Public Schools staff will be responsible for monitoring student personal device use as well as student use on the wireless network with school owned devices. FPS staff will have the authority to grant students permission to use personal devices if they feel it is needed for educational purposes. Educators shall communicate appropriately with administrators and parents if students violate the Acceptable Use Policy (524) or this Personal Mobile Device Guideline.

Consequences for Unauthorized Use

Unauthorized personal mobile device use will result in confiscation of the device and potentially additional school consequences.

- A first offense confiscation of a personal mobile device will result in the school administration keeping the phone for the remainder of the day and giving it back to the student at the end of the school day.
- A second offense confiscation of a personal mobile device will result in the school administration keeping the phone until a parent or guardian picks the phone up from school.
- A third offense (and subsequent) confiscation of a personal mobile device will result in the school administration keeping the phone until a parent or guardian picks the phone up from school along with other forms of school discipline such as loss of privilege of possessing a cell phone at school, detention, restorative justice, and/or ISS.

Non-Acceptable Uses

- Personal devices must not be physically connected to the district wired network and cabling infrastructure.
- The use of 3G, 4G, LTE or any **other** wireless network while on school premises is prohibited. All non- district owned devices must use the “ISD 656 Public Access” while on school grounds.
- Mobile devices will be not given access to print to district printers and/or copiers.
- Users will not use electronic technologies to take photos or record video **of a person** or persons on campus without prior consent **from an individual** or teacher. Students may not print, post, transmit or distribute photos and video without prior consent. Personal devices are not allowed in bathrooms or locker rooms.
- Student users shall not access applications such as email, chat, blogs, or social networking (i.e. Facebook, twitter etc.) while at school unless specifically for educational use and when in the presence of school district staff.

Theft, Damage or Repair

The Faribault Public School district shall **NOT** assume responsibility for the maintenance, repair or replacement of any privately-owned property brought to school. The district shall not be held responsible for lost, stolen or damaged devices or for any malware acquired while on the guest network. All devices should have virus software installed with the latest virus definitions. Students should not leave mobile devices unattended and should keep them secured when not in use. The use of passwords and lock codes are strongly encouraged.

Technology support

It is the student’s responsibility to connect to the network. FPS staff members shall not provide technical support for any non-district owned devices. The district will not be responsible for financial obligations arising through unauthorized use of the district’s educational technologies or the Internet. Faribault Public Schools reserves the right to inspect any personal device at any time if it is suspected of causing technology/network problems or if it is used inappropriately.

Etiquette

Audio requirements – All device ringers must be off and sound must be muted or headphones/earbuds used.

School issued mobile devices (iPads) should be fully charged prior to school and used in battery mode while on premises.

The Children’s Internet Protection Act (CIPA) requires all network access to be filtered while in a public school. All devices connected to our network will still abide by our Internet filtering policy. Any attempt to bypass the schools network filters will be a violation of our Acceptable Use Policy.

All guidelines apply anytime on school grounds or during any school related activity. This includes before/after school, during classroom time, school related activity or field trips, sporting events and on school buses.

CONDUCT ON SCHOOL BUSES AND CONSEQUENCES FOR MISBEHAVIOR

Riding the school bus is a privilege, not a right. Students are expected to follow the same behavioral standards while riding school busses as are expected on school property or at school activities, functions or events. All school rules are in effect while a student is riding the bus or at the bus stop. Consequences for school bus/bus stop misconduct will be imposed by the Building Principal or the Principal's designee. In addition, serious misconduct will be reported to the District's Director of Operations and the Department of Public Safety.

School Bus and Bus Stop Rules

The School District school bus safety rules are to be posted on every bus. If these rules are broken, the School District's discipline procedures will be followed. Consequences are progressive and may include suspension of bus privileges. It is the school bus driver's responsibility to report unacceptable behavior to the School Office in a timely fashion and in written form so parents may be notified.

Rules at Bus Stop and Boarding the Bus

1. Go directly from your house to the bus stop; arrive at the bus stop 5 minutes before your scheduled pick up time.
2. Stay away from the street, road, or highway when waiting for the bus. Wait until the bus stops and the door is opened before approaching the bus.
3. Stay off private property and out of the street.
4. Use appropriate language.
5. If you must cross the street to get to the bus stop, wait until the bus stops and the driver signals you to cross, look left, right, and left again. If clear, walk quickly across the street.
6. Get on the bus in single file and hold onto the rail to keep from slipping, falling or tripping.
7. Go directly to your seat and sit down.
8. No fighting, harassment, intimidation or horseplay.
9. No use of alcohol, tobacco or drugs.
10. No pets i.e. live insects, reptiles or animals are allowed on the bus.

Exiting the Bus

1. Stay seated until the bus is completely stopped and the door opens. Use handrail to exit.
2. When leaving the bus, if you drop something, **DO NOT GO BACK TO PICK IT UP!**
3. Walk 10 steps on the sidewalk or the side of the road way away from the bus. Always walk in front of the bus.
4. If you must cross the **street**, **always** cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
5. Always cross in front of the bus.
6. Go directly home! Don't "hang around" the bus stop.

Consequences

Consequences for school bus/bus stop misconduct will apply to all regular and late routes. Decisions regarding a student's ability to ride the bus in connection with co-curricular and **extracurricular** events (for example, field trips or competitions) will be the sole discretion of the School District. Parents or guardians will be notified of any suspension of bus privileges. All bus reports will be given to the school principal the day of or the day after the incident occurred.

1. K-12 Students.

1st offense - warning

2nd offense – 3 school day suspension from riding the bus

3rd offense - 5 school day suspension from riding the bus

4th offense -10 school day suspension from riding the bus

Further offenses - individually considered. Students may be suspended for longer periods of time, including the remainder of the school year.

2. Other Discipline.

Based on the severity of a student's conduct, more serious consequences may be imposed at any time. Depending on the nature of the offense, consequences such as suspension or expulsion from school may also result from school bus/bus stop misconduct.

3. Records.

Records of school bus/bus stop misconduct will be forwarded to the individual school building and will be retained in the same manner as other student discipline records. Reports of serious misconduct will be provided to the Department of Public Safety. Records may also be maintained in the transportation office.

4. Vandalism/Bus Damage.

Vandalism to bus property or property of other students, not only will result in suspension from riding the bus, but also require payment for the damages to the director of the bus operation before re-admittance of bus riding privileges.

5. Notice.

Students will be given a copy of school bus and bus stop rules during school bus safety training. Rules are to be posted on each bus and both rules and consequences will be periodically reviewed with students by the driver.

6. Criminal Conduct.

In cases involving criminal conduct (for example, assault, weapons possession or vandalism), the Superintendent, local law enforcement officials and the Department of Public Safety will be informed.

III. PARENT AND GUARDIAN INVOLVEMENT

Parent/Guardian Responsibilities for Transportation Safety

1. Become familiar with District rules and policies, regulations and principles of school bus safety.
2. Assist students in understanding safety rules and encourage them to abide by them.
3. Recognize their responsibilities for the actions of their students.
4. Support safe riding practices and reasonable discipline efforts.
5. When appropriate, assist students in safely crossing local streets before boarding or after leaving the bus.
6. Support any procedures for emergency evacuation as set up by the School District.
7. Respect the rights and privileges of others.
8. Communicate safety concerns to school administrators.
9. Monitor bus stops, if possible.
10. Support all efforts to improve school bus safety.

Parent and Guardian Notification

A copy of the School District school bus and bus stop rules will be provided to each family at the beginning of the school year or when a child enrolls, if this occurs during the school year. Parents and guardians are asked to review the rules with their students.

ISD #656 and Faribault Transportation Company Student Bus Misconduct Procedures

The following procedures shall describe the process and specify titles of individuals responsible for: identifying misconduct, investigating misconduct; recommending discipline; implementing discipline; notifying a disciplined student's parents of the specific misconduct the student engaged in and any disciplinary action respondents take; and enforcing discipline.

If an employee of the bus company believes that a student has engaged in misconduct in violation of any district policy, including the bus rules, the bus driver shall report the incident to the following district administrator responsible for addressing student misconduct:

- Related to a high school student – to the FHS Assistant Principal

- Related to a middle school student – to the FMS Principal
- Related to an elementary school student – to the Principal of that student’s elementary school

The bus company will take all reasonable steps to preserve relevant evidence, including any photos, GPS data, and video related to the incident. The bus company will provide that information and the names of any witnesses to the district administrator responsible for addressing student misconduct.

The district administrator will conduct an appropriate investigation of the incident, including reviewing relevant photo or video evidence and speaking with the involved student(s). If the student’s first language is not English, the district administrator will speak to the student with a translator. The district administrator will then use his/her judgment to make recommendations regarding student discipline in accordance with District Policy #506, which includes a general preference for progressive discipline when appropriate.

If it is determined that discipline will be enforced, the district administrator shall notify the student’s parent of the nature of the incident and an explanation of the disciplinary action taken in the parent’s native language. The district administrator shall be responsible for making final decisions regarding suspension or revocation of a student’s bus riding privileges. The bus company shall be responsible for enforcing the discipline deemed appropriate by the district administrator and may take corrective action to the extent necessary to ensure safe operation of school buses.
