August 2021

Dear Parent/Guardian:

The daily transportation of children to and from school is the perfect opportunity to establish expectations for good conduct, responsible citizenship, and to teach and enforce the rules of safety. The William Floyd School District urges all parents to escort their children to and from bus stops in order to ensure a safe, orderly climate before and after school. Parents are partners in the educational process. On the bus, as in school, self-control and appropriate behavior is expected at all times.

During the first few weeks of school and until a more precise pick-up time has been established, students should be at their bus stops 45 minutes prior to the start of the school day. As a reminder, the 2021-22 start and end times for each school are as follows:

- William Floyd High School: 7:10 am – 1:36 pm
- Floyd Academy: 9:39 am – 4:05 pm
- William Floyd Middle School: 8 am – 2:28 pm
- William Paca Middle School: 8 am – 2:28 pm
- William Floyd Elementary School: 8:20 am – 2:38 pm
- Nathaniel Woodhull Elementary School: 8:20 am – 2:38 pm
- John S. Hobart Elementary School: 9:15 am – 3:33 pm
- Moriches Elementary School: 9:15 am – 3:33 pm
- Tangier Smith Elementary School: 9:15 am – 3:33 pm
- William Floyd Learning Center: 9:15 am – 3:33 pm
- Center for Interim Instruction (CII): 3:20 pm – 5:20 pm

In addition, you may visit our website at [www.wfsd.k12.ny.us](http://www.wfsd.k12.ny.us) and click on the transportation information link to find everything you will need to know about student, parent and district roles and responsibilities with respect to the transportation of our children. You will also be able to reference the district's transportation policy and have a handy list of important contact numbers. If you do not have access to the internet, please contact our transportation department at (631) 874-1305 or your specific school and copies will be sent to you.

It is important to remember that parents, children, bus drivers and the district are all responsible in maintaining standards of conduct and safety on school buses. For the 2021-22 school year, First Student will be providing transportation for our in-district students to and from district buildings and Durham School Services will transport all cross district and out-of-district students. School buses may use video cameras to ensure the continued safety of our students. Please take the time to review the information contained on the transportation section of the district's website and reinforce these serious guidelines with your children. We cannot stress enough the importance of these rules and our mutual responsibility for enforcing them in an effort to not only keep your child safe, but to protect all students riding the school bus. As a reminder, depending on the number of

## Release of Student Information Under The No Child Left Behind Act

Dear Parent or Guardian,

Pursuant to §9528 of the Elementary and Secondary Education Act of 1965 (the “ESEA”) (20 U.S.C. §7908), as amended by the No Child Left Behind Act, the William Floyd School District must disclose, upon request, the names, addresses, and telephone listings of high school students to military recruiters. The District must also notify parents of their right to request that information not be released without prior written parental or student consent.

Parents or students wishing to exercise their option to withhold such information without their prior written consent must sign and return the form below to their guidance counselor or assistant principal no later than October 15, 2021.

-----

I am in receipt of notification from the District regarding release of student information under the No Child Left Behind Act. Please do not release the name, address, and telephone listing of the student identified below to military recruiters without my prior written consent.

## Re: Canine Drug Sweep and Locker Search at School

Dear Parent/Guardian:

Illegal drug possession and use by school-age students is dangerous. To defeat this problem, parents and school districts must work together. On our end, the district will remain vigilant at all times to prevent illegal drugs from entering our schools and to administer appropriate discipline to students who bring drugs in. Strict enforcement of anti-drug rules is absolutely essential to protect the health, safety and welfare of students and school personnel.

The purpose of this letter is to notify you, in advance, about a cooperative initiative between the district and the Suffolk County Police Department that will be conducted during the upcoming 2021-2022 school year. **The district will invite the Suffolk County Police Department into the high school on one or more occasions during the school year for the purpose of having the Canine Narcotics Unit conduct a sweep of students' lockers.** During these visits, drug-sniffing police dogs will pass by students' lockers and will alert their handlers if they detect the presence of a prohibited substance at a particular locker. If this occurs, school officials will then conduct a thorough search of the locker(s) targeted by the dogs, and all the contents within the targeted locker(s). If illegal drugs and/or other unlawful or unauthorized substances or items<sup>1</sup> are found in a student's locker, the student to whom that locker is assigned will be held accountable. In addition to being subject to suspension from school, any student who possesses illegal drugs, weapons or other unlawful items in his or her locker should expect to be arrested by the police, if probable cause is evident, which enforces an aggressive, pro-arrest policy under these circumstances.

Our state and federal courts have previously upheld the legality of locker searches on grounds that school lockers remain at all times the property of the district, and therefore, that students have no legitimate expectation of privacy with respect to anything they store within their lockers. The district's legal authority to search lockers is outlined within the district's "Student Search and Seizure Policy," No. 7440. This policy has been approved by the district's Board of Education; specific rules regarding locker searches are as follows:

- The school district owns all lockers, locks, combinations and/or keys to all lockers within school facilities.
- Students do not have any right or expectation of privacy with respect to anything stored within school lockers. Accordingly, school officials reserve the right to access and/or search any student's locker and anything stored within, at any time, with or without prior notice, and with or without reasonable suspicion to believe that evidence of a violation of school rules and/or the law may be found within.
- The sole purpose of being able to lock school lockers is to prevent the theft of property stored within.
- Students have no right to lock school-owned lockers with personally-owned locks. If this occurs, the school district has the right to remove the personally-owned locks.
- Students are solely responsible for items contained within their school assigned lockers. Students are prohibited from disclosing their locker combinations and/or allowing other students to share their lockers.
- Students must immediately notify the building principal or assistant principal if their lockers do not function properly and/or cannot be properly secured.

-----  
<sup>1</sup>Once a search is undertaken for drugs, neither law enforcement nor school personnel will turn a blind eye to other unauthorized or unlawful substances found within a student's locker.

The canine drug sweeps by the police will not be announced in advance, and students will not be permitted to leave their classrooms while a canine drug sweep is in progress except in a bona fide emergency. Under no circumstances will students be permitted to retrieve items from their lockers while a canine drug sweep is in progress.

Additionally, please understand that any drug sweeps conducted by the police shall be in addition to any locker searches conducted by school officials. The district reserves the right at all times to search district lockers assigned to students, with or without prior notice, and with or without cause to suspect that a search may turn up evidence of a violation of school rules and/or the law in a particular student's locker.

It is our sincere desire that no drugs or other unauthorized or unlawful items whatsoever will be found during these canine drug sweeps, or at other times during the year. Our primary goal is to deter students from using or bringing illegal drugs (and/or other unlawful or unauthorized items) into the high school, not to subject students to arrest and school discipline.

Please take this opportunity to have a discussion with your child(ren) about this cooperative initiative between the district and the police, even if you believe that your child(ren) would never engage in such activity. First and foremost, counsel your child(ren) to refrain from illegal drug use. Please stress, however, that if they cannot or will not refrain from drug activity, they will be subject to school discipline and/or arrest if illegal drugs and/or other unauthorized or unlawful items are found in their locker at school.

If you have any questions, please contact William Floyd High School Principal Philip Scotto at (631) 874-1699. You will not be required to identify yourself if you choose to make an inquiry, simply tell the receptionist that you "have a question about the canine drug sweep and locker search initiative."

Sincerely,

Kevin M. Coster  
Superintendent of Schools

## William Floyd High School Attendance

### Attendance Contact Information

The importance of an education cannot be underestimated. We hope that parents will join with us and make **REGULAR ATTENDANCE** in school a **PRIORITY** each and every day. Your assistance in planning family vacations based upon the school calendar is vital to your child's success. Please know that the William Floyd School District recognizes that there are **LAWFUL** (excused) absences, and children occasionally need to miss school. Each student's situation will be addressed individually to review extenuating circumstances and hardships.

## Attendance Guidelines

As your child begins the 2020-2021 school year, we would like to highlight the importance of regular attendance. In order for our children to achieve at their highest potential and beyond, it is essential to attend school on a regular basis. Excessive absences and tardiness is a common cause of academic failure, and at the High School level, it is easy to fall behind when classes are missed on a frequent basis.

Parental interaction and cooperation are essential elements in encouraging proper attendance and good learning habits during these productive years. Please be aware of your child's attendance patterns and utilize the following procedures:

**Class Absence:** Students who are absent from class are marked absent by their teacher in our attendance system. During the course of the day, our attendance staff enters codes for verified absences. In the event of an absence from school, we would appreciate that parents/guardians contact the **High School Attendance Office at 631-874-1118** on the first day of the absence with the reason for the absence. Every evening our automated system will call and/or e-mail the contact person of every child who has a recorded unknown class absence requesting follow-up contact to the attendance office. Every unknown absence will be recorded as a cut from class or unverified absence and is subject to disciplinary action. The *parent or guardian* should contact the attendance office to verify all unknown absences. Medical notes are

required to validate extended absences so that alternative instruction can be provided when appropriate.

**Tardiness:** Arriving late to class causes disruption to the learning process. Although arriving late is better than not attending at all, every effort should be made to be on time and ready to participate in class.

**Appointments:** Please make every effort to schedule appointments (medical, dental, optical, etc.) during non-school hours. If an appointment is only possible during school hours, a written request from the parent/guardian should be made. Students may be released early for an appointment by signing out at the attendance office, which is located in the North Lobby of the High School.

Please remember there is a direct relationship between your child's attendance and his/her academic performance. Participation in classroom activities, good study skills and school involvement are essential for a student's success at all levels. Please assist us in the process of educating your child to his/her full potential by emphasizing good attendance.

Please contact the attendance office at 631- 874-1118 to update any phone or address changes. Thank you for your cooperation in assisting with your child's academic success.

When your child is absent please contact the appropriate extension or e-mail listed below:

**All 9<sup>th</sup> Grade students**

# William Floyd Union Free School District

of the MASTICS - MORICHES - SHIRLEY

*Our rich history builds a promising future!*

Kevin M. Coster  
*Superintendent of Schools*

Tina Stone, BSN, RN  
*Lead Nurse*

Dear Parent or Guardian:

New York State Education Law mandates that each child in grades Pre-K or Kindergarten, 1,3,5,7, 9,11 and all students entering the district, have a health examination, preferably by the family physician. Your health care provider should submit a statement regarding the health status of your child within 30 days of starting school. A form provided for this purpose is available at the health office in each school and on the district website. If a private physical is not received within 30 days, the school physician shall examine the student and parents will be notified of any medical findings requiring further evaluation.

In addition to the physical examination, the law also requires other screenings during the school year. These include: height and weight screening each physical year, vision screening in grades PK or K, 1,3,5,7 and 11; hearing screening in grades PK or K, 1,3,5,7 and 11; and a spinal screening to detect scoliosis (a curvature of the spine) for girls in grades 5 and 7, and boys in grade 9. New entrants are required to have all screenings, regardless of their grade. Upon completion of the screenings, you will be notified by letter if any further examination or follow-up by your family physician is indicated.

The School Nurse is responsible for the *FIRST AID* care of school children who are injured or become ill while under school supervision. *FIRST AID* is treatment for the protection of life and comfort of a child until authorized treatment is secured. The parent is responsible for securing additional medical care if necessary. ***The school nurse will NOT dispense any medication to students unless he/she has a doctor's written order on file giving specific instructions to do so.*** It will be necessary for a new doctor's order to be submitted to the school nurse each school year. Forms are available in the nurse's office and on the district website for this purpose. This also applies to *all* over-the-counter medications (ex. Tylenol, Advil, etc).

Students who are ill should not be in school. It is unfair to the students and to all others he/she comes in contact with. If the student is unable to attend school, please phone the Attendance Office and notify them. Upon returning to school, the student must bring a written excuse, signed by the parent stating the cause of absence and dates. For extended absences, a physician's statement will be required.

The school district policy is that if a student is well enough to attend school, he/she should be well enough to participate in all activities including Physical Education class. Should your doctor advise against Physical Education class participation, a signed note from your doctor is required to be on file in the Health Office. The student will then be excused from participation for the specified period of time but will be required to attend the class. Reassignment out of the class will be approved by the Athletic Director and the Nurse when it is deemed necessary for the safety of the students.

After notification by the School Health Office, children who are leaving school because of illness or injury may be picked up by the parent or adult parent designee. All students leaving school early because of illness or injury should be signed out through the office of the School Nurse. Any person picking up a student **MUST** show photo identification before the student will be released.

## NOTICE REGARDING DENTAL EXAMINATION

Dear Parent:

New York State requires public schools to request dental certificates of all students enrolling in the district, and those in grades Pre-K, K, 1, 3, 5, 7, 9 and 11.

Dental certificates must be signed by a dentist who is licensed to practice in New York State and must contain a report of a comprehensive dental exam performed on your child.

Please have your child's dentist complete the certificate below and return this form to the school nurse upon entrance to school, or within 30 days.

You may contact me at 631-874-1546 if you have any questions or concerns regarding this matter.

Sincerely,

Tina Stone, BSN, RN  
William Floyd School District Lead Nurse

### EXAMINER'S CERTIFICATION OF DENTAL EXAMINATION

This student \_\_\_\_\_, in grade \_\_\_\_\_ had a complete dental examination on \_\_\_\_\_.(date).

Treatment needed?: Yes \_\_\_\_\_ No \_\_\_\_\_
