

STUDENT MASK EXEMPTION CERTIFICATION

Lamoille North Supervisory Union requires masking for all its students as a COVID safety measure. The Supervisory Union may grant exemptions from the requirement where it is medically necessary for the student. If you would like the Supervisory Union to consider an exemption for your student, please ask a competent medical or mental health professional to complete this certification and return it to your building administrator.

Provider Certification

I certify that _____ (the Student) has been under my care. The Student has the following condition(s) that make wearing a mask a significant health risk:

- 1. _____
- 2. _____
- 3. _____

The listed condition(s) cause masking to present a significant health risk to the Student because:

Signature of Health Care Provider

Date

Print Name of HealthCare Provider
